To Be Well Dressed at a Reasonable Cost
Let Us Make Your Suit!

Have you been giving your money away to a poor tailor for clothes that did not satisfy you? or worse still have you, thinking you were saving two or three dollars on your suit, paid your good money for a "Ready-Made"—a suit that stays good only until you wear it, and instead of adding to your appearance, will by its bad fitting qualities make you appear poorly dressed. Have you ever thought that a "Ready-Made" was the most expensive suit you could buy. Do you know that one good Tailor-Made Suit at \$20.00 to \$25.00 will outwear any two Ready-Made at \$15.00, and that the made-to-order suit will hold its shape and its good looks until the cloth is worn out, while a Ready Made will only look good for a short time. Isn't it cheaper for you to invest \$25.00 for a good suit once a year, than to invest \$15.00 for a poor one, twice in that period? You will agree with us in that, won't you? Then our proposition is this: We keep a stock of all the best cloths made—we have Worsteds, we have Tweeds, in all the leading shades; we have Serges and Venuis in blue and black—in fact we have everything that's made for men's clothes. We have expert cutters, men who have spent years in studying the art of designing men's clothes, and we have a staff of workmen trained in every branch of the trade, men who put into a job work of the highest order.

You can select a suit at any price from \$18.00 to \$30.00. We will make it to your individual measure, we will put the best of trimmings into it, and we give you good style and the best of workmanship. In short, your money is not ours until you are satisfied with the suit in every particular.

Don't you think it will pay you to leave your order with us?
