CLANTON AND VICINITY.
Long Credits.
 After many years experience, I
 have come to the conclusion, that
 the Long Credit System, now in
 use is a great evil, and
 have determined that from the 1st
 January, 1875, I will discontinue
 long credits and only give cash
 or short date accounts.
 I consider the present season a
 favorable one for making this
 declaration. As the winter is
 passing the benefits of a better
 harvest and fair prices, farmers
 and others should now be able
 to pay up all old accounts and
 start in future for cash only.
 Not wishing to take undue ad-
 vantage of any who are now run-
 ning long accounts with me, I
 deem it necessary to give this
 timely notice, so that those who
 consider themselves largely dealt
 with.
 I would also take this opportunity
 of notifying all those in-
 debted to me that all book ac-
 counts of long standing remaining
 unsettled on the 1st January,
 1875 will be placed in the hands
 of a Solicitor for collection.
 I also beg to say that my
 present general stock is now full
 and complete, comprising every
 thing usually kept in a general
 store, intending purchasers
 would do well to give me a call
 before purchasing elsewhere.
 I now return my sincere thanks
 to the general public for the very
 liberal patronage tendered me, and
 I trust by strict attention to busi-
 ness, fair dealing and promptness
 to merit a continuance in the fu-
 ture of those favors so liberally
 bestowed on me in the past.
