SOUTH HURON.

The Grits Swarm in the "Hive." Large Attendance—Mr. John McMillan Reeve of Hullett the Choice of the Convention.—Strong Feeling Against the Government.

An immense gathering of Liberals from the newly constituted Riding of South Huron assembled in the Town Hall, Clinton, on Friday last. Enthusiasm and unanimity pervaded the entire Convention. The delegates united in their choice of a strong and worthy candidate, Mr. John McMillan, Reeve of Hullett, one of the most successful and intelligent farmers in Huron. He has long been associated prominently with municipal affairs, and as a representative in this respect has a record that cannot but secure to him the entire confidence and support of the electorate. The general sentiment of the Convention was that South Huron should signalize the coming contest, by giving the most loyal support to the candidate, and that all honorable means should be adopted to further the interests of the great Liberal party and its principles, as avowed by the Hon. Edward Blake. Though a Reform majority of about 700 has been carefully concentrated in the Riding by the Redistribution Bill, yet it is anticipated that the presence of such a mass of Liberalism will tend to magnetize both the East and West Ridings. In both these places a strong fight is being made, and the prospects grow daily more encouraging.

The opening session was held at 11 a. m. Mr. George Anderson, of Stanley, President of the Reform Association of South Huron, as formerly constituted, was called to the chair. Dr. Hurlburt, of Brucefield, was appointed Secretary of the Convention.

On motion, Messrs. Hurlburt, W. M. Gray, J. Hannah and Dr. Buchanan were appointed a Committee on Credentials. The full list of delegates, according to reports handed in, was as follows:

At 12 o'clock the Convention adjourned for one hour.

Proceedings were resumed at one o'clock. Two of the delegates from Division No. 3, Hullett, being absent, Messrs. A. Watt and J. Fowler were added to the list.

OFFICERS ELECTED. The following officers were then elected for the Association: President, Humphrey Snell, of Hullett; Vice-President, Geo. Anderson, of Stanley; Secretary, Dr. Hurlburt, of Brucefield.

Mr. Snell thanked the Convention for the honorable position to which they had elected him, and promised to perform the duties of the office to the best of his ability.

Moved by Mr. Gray, of Seaford, seconded by Dr. Buchanan, of Hay, that the present local organizations existing in the various municipalities be confirmed by this Association. Carried.

On motion, Mr. Wm. Cash was appointed chairman of the McKillop organization, and Mr. John Hannah for Tuckersmith.

THE NOMINATIONS. John McMillan, Reeve of Hullett—By John Hannah, of Tuckersmith. M. Y. McLean, of Seaford—By Robert Govenlock, of McKillop. M. C. Cameron, M. P.—By Geo. Forest, of Stanley. D. D. Wilson, of Seaford—By Thos. Coventry, of Seaford. Dr. Stewart, of Brucefield—By Wm. Ballantyne, of Seaford.

Wm. Gray, of Seaford—By Andrew Govenlock, of McKillop. Mr. Gray stated that he had no intention of becoming a candidate, but thanked those who had nominated him.

Dr. Stewart begged leave to resign, as he had no desire to engage in a contest. He preferred to work in the ranks.

Mr. D. D. Wilson did not wish to permit his name to go before the Convention as a candidate. He was glad to see so large a gathering of the electors of South Huron present.

The Riding had been so frightfully gerrymandered as to make it almost impossible for a man to tell where he is located. He hoped that the 20th of June would teach the present Government that they could not trifle with the liberties of the people.

The Redistribution Bill was one of the most detestable measures ever passed in the Canadian or any other Parliament. He said it was a Bill that would make it possible for the minority of the people to rule the majority.

He hoped that whoever was the nominee of this Convention every voter in South Huron would go to the polls and support him, rolling up such a majority as had never been heard of in Huron before. One thing to be accomplished in this election was to show that Ontario could give a large Reform majority.

He begged to retire in favor of Mr. McMillan, who was a most fit and proper man to represent the Riding in Parliament. (Cheers.)

Mr. McLean was pleased with the representative character of the Convention. He said that as so many had asked him to allow his name to go before the Convention he could not courteously decline to do so. He placed himself entirely in the hands of the convention, and would he truthfully abide by their decision. (Applause.)

Mr. McLean concluded by reading a letter which he had received, as Secretary of the Reform Association of Centre Huron, from Sir Richard Cartwright, expressing his sincere thanks to his friends in the Centre Riding, especially those of Seaford, Hullett, McKillop and Tuckersmith, for the warm and cordial support they had always extended to him in the past, and assuring them that he could never forget the manner in which they had come forward to the rescue in 1878.

The letter also assigned the reasons which actuated him in severing his connection with the Riding. In respect to the Gerrymander, he hoped that the coming vote would teach the present Government that honesty is the best policy in political as well as other matters.

Mr. M. C. Cameron, M. P., said he had cast his lot with West Huron, believing that Riding constituted the majority of the party should rest upon their own merits, and be carried in the interests of the Liberal party; therefore he was not a candidate before this Convention. He desired to express his unfeigned gratitude to the remnant of what was once South Huron assembled before him. Though South Huron was now a safe Liberal constituency, the members of the party should rest upon their own merits, and be carried in the interests of the Liberal party; therefore he was not a candidate before this Convention.

felt that the time had come when Ontario's rights should be respected and protected. He condemned the Northwest land policy of the present Government, on account of the unfair treatment to which the settlers are subjected, as compared with monopolists and speculators.

After touching briefly upon other questions of the day, he thanked the Convention for the nomination, and resumed his seat amid applause.

A STRIKING RESOLUTION.

Moved by D. D. Wilson, seconded by Dr. Buchanan, and resolved, That this Convention heartily approves of the conduct of Hon. Edward Blake as leader of the Liberal party of Canada, and we pledge ourselves to use every legitimate effort at the coming election to make old Huron—a standard old Reform county—send true and steadfast supporters of Liberalism to strengthen the hands of our honored leader in the next Parliament of Dominion, notwithstanding any unpopularity or triple gerrymandering of our county. Carried by a standing vote.

THE CLOSE. Hearty cheers having been given for the candidate, the liberal leaders and the Queen, the delegates separated and went back to the respective municipalities to fight with redoubled energy the great battle of Liberalism.

Miss McManus sang a duet. Mr. Horton in the recitation "Aaleep at the Switch," was good; two readings were given in a very acceptable manner by Mr. R. E. Brown; Master T. Wright recited one of Hood's poems in good style, and Mr. S. P. Williams convulsed the audience with a reading on "Women." Short speeches were made by Messrs. J. Mitchell and T. McGillivuddy, of Goderich. Rev. J. A. Turnbull, B. A., presided, and the order was excellent. There wasn't a single hitch in the proceedings, which passed off in a manner highly creditable to all concerned.

PIC-NIC.—On the afternoon of the 24th of May the members of I. O. G. T. 213, with many friends from Dunlop and Leeburn, held their fourth annual picnic in the beautiful grove of Hope Farm, Battermatt Row, which leafy region rang with happy voices enjoying themselves on swings [and in games of all sorts. A race for a nightcap, presented by the well known bachelor, Joe Maywood, was keenly contested by several Leeburn lasses, and afforded much amusement. Baseball and quoits were also indulged in, the sides for the first named game being commanded by Messrs. Q. V. Williams and W. McManus, the former winning. Mr. D. Cunningham gave a fine exhibition of his skill in quito, and Messrs. J. Linklater, A. Cowen and James Hall also showed up well. Everything went off nicely, and everybody seemed to be happier than anybody else.

Autumn. Mr. J. Scott took a drove of hogs to Rogerveil cheese factory on Monday. Mr. John Sturdy started for Parry Sound district on Tuesday, where he intends to stop all summer.

Mr. Henry Beadle returned from across the water. He brought a splendid specimen of heavy draught stallion with him 3 years old. Harry generally brings home with him something worth looking at.

A few days ago Mr. W. Cudmore sold 16 head of cattle, lumped at \$68 a head—not a bad figure.

Mr. S. Phipps has rented the Dock-stater farm, Huron Road, from Mr. J. Whiteley, deputy-reeve, for a term of seven years, at an annual rental of \$180. The farm contains 75 acres, and Mr. Phipps has got it on very reasonable terms.

RETURNED.—On Monday last Mr. Thos. Jowett, of this township, returned from the northwest, where he has been for some time past. He has secured land both in Dakota and Manitoba. He says that in Brandon there are hundreds of unemployed persons, owing to the impossibility of getting in material with which to build.

Taylor, of the Huron road, was before Mayor Forrester, on a charge of keeping a vicious dog, on which judgment was given against him, with costs, amounting to nearly \$10.
