LONDON, Dec. 18.

Details which came out in Court, with regard to a sensational raid made on Sunday night on a West End gambling house, show, in the words of Inspector Shewett, that the place raided was one of the largest gambling establishments in London. The raid took place at 6.30 p.m., which was supposed to be a quiet time; yet the counters before a dozen players' tables, represented \$4,065. These before Grosse, the acting croupier, represented \$60,000, the units of value being \$500, \$250, \$125, \$50, \$25, \$5 and \$2.50. The game was "Chemin de Fer." Three young married women, and all the men captured, hold good positions in society, and many of them are of independent means. Some idea of the tremendous profits made by this house is gleaned from MacKay's Bank account. In September this amounted to \$65,000 to his credit. The police are watching a gambling house in Grosvenor Square, one of the most exclusive parts of the West End run by a former Captain in the Army, where only the most eminent people in England are admitted. The police would like to raid this place, but are afraid of the scandal which would result, as it is feared they would capture one of the biggest figures in English political life, not to mention the biggest names in Debut and at Westminster.

MANILA, Dec. 18.

The career of Arcani, the notorious chief of the Philippines, was brought to an end to-day, when he was killed in a personal encounter

with Lieutenant Johnson, of the Philippine Constabulary. Two other outlaws belonging to the same band were also killed. A force of constabulary, assisted by a detachment of minor volunteers, under command of the Civil Governor, George Helenier Zamboungo, came into contact with the outlaw gang in a small island near Bastian. After a sharp engagement the band scattered, leaving three of their number dead, amongst them Arcani, who had fought a fierce, personal combat with Lieut. Johnson. Arcani, during his career, was known to have murdered seven people, including two Japanese traders. He and his followers carried out a number of raids. The constabulary and volunteers are now pursuing the rest of the band.

ST. PETERSBURG, Dec. 18.

A desire for the preservation of peace combined with a determination to defend with the whole nation's strength Russia's vital interests, was the keynote of a speech, dealing with the Balkan affairs, made by Premier Kokovsov in the Duma to-day. The Russian Premier paid tribute to the warlike virtues and unanimity of the Balkan people, and said that a great Slavonic and Orthodox power had sprung up. Russia could not be indifferent as to whether they obtain better conditions of existence, and thus avert dangerous complications in the future. He continued that he was glad the Russian government had not to change its calm attitude. There was no ground to suspect Russia of selfish designs or of a desire to ag-

gravate conflicts. The fundamental principles which will guide the Russian Government when the hour for final decision is sounded were indicated in her faithful and friendly agreement with the other great powers. She saw no use of setting up one group of powers against another. The Premier prefaced his speech by notifying the Duma of the Government's intention to ask for further credit, to enable it to perfect its system of national defence. The Premier concluded by congratulating Britain on her initiative in suggesting the Ambassadorial discussion of the points at issue.

LONDON, Dec. 18.

The severe clan fighting which broke out in Amoy, China, has been checked by the Government troops, after some sharp encounters.

LONDON, Dec. 18.

Alfred Tennyson, grandson of the famous poet, was married at Westminster Abbey yesterday, to the Hon. Margaret Drummond, a descendant of the Earl of Perth.

BOSTON, Dec. 18.

Thirty-three men and boys sacrificed their lives by firearms in the New England States and the Maritime Provinces during the Fall hunting season, which closed at midnight on Saturday. Half a dozen others may be added to the list of victims, including one boy shot before the legal season opened, three men drowned while hunting and two victims of exhaustion. The number is a slight reduction from last year's figures, but exceeds those of 1910. Maine contributed 15, Massachusetts 6, New Hampshire, 4, Vermont, Rhode Island and Connecticut one each, and the Maritime Provinces 5. The number of hunters mistaken for game was 6.

LONDON, Dec. 18.

Servia took a most important step in the direction of peace to-day, by intimating her willingness to leave the matter of an outlet to the Adriatic Sea entirely in the hands of the Great European Powers. Announcing this decision the Servian delegates added that Servia's attitude was perfectly moderate, and that relying on this moderation, the justice of her claims and sympathies of European Governments, she had decided to take the course indicated. With regard to the tension existing between Austro-Hungary and Servia, it is generally expected that direct negotiations between these two nations will begin immediately.

True Cocoa Value
Children thrive on EPPS'S and love its delicious flavor.
EPPS'S
GRATEFUL-COMFORTING
Epps's has been a household word for scores of years. It stands for excellence in the production of Cocoa. Every element that makes cocoa delicious and nourishing is found in Epps's in perfect proportion and form. That is true cocoa value. Some cocoas have the cocoa butter removed, and lack the nourishing element.

Stop Coughing.

It's quite as foolish as it is annoying to keep on coughing, since "PHORATONE COUGH CURE"

is guaranteed to soothe and heal the irritated parts at once, and to rapidly destroy the very cause of this miserable feeling. Hundreds of persons are complaining every day about the Cough or Cold they have had for a long time, and are not able to get rid of it.

Don't let this Cough or Cold hang on to you day after day and run the chance of catching and developing the Cough that is not easy to throw off. You will avoid all this unnecessary worry (about the Cough or Cold you have) by obtaining a bottle of Phoratone Cough Cure at once.

Stafford's Liniment is also an excellent preparation for all kinds of Coughs and Colds. Two equal parts of Stafford's Liniment and Sweet Oil and pour it upon a piece of thick flannel and wrap it around the throat of the sufferer from Bronchitis, Asthma, Tonsillitis, etc., and you will find relief at once.
