Have You an Itchy Spot?

Somewhere on your body? If so, attend to it at once. In Eczema--and itchy spots, whether dry and scurfy, or moist and inclined to "weep," are generally eczematous--delays are foolish, allowing the disease to spread and affect more of the good skin. Your best chance for a cure is to use Zylex, which will give almost instant relief, and if used in the earlier stages of the trouble will almost certainly bring a cure, and in any event will greatly ameliorate the trouble. Ask your druggist about it. Price 50c. a box. Zylex Soap, 25c. a cake.

Doctors and Gas Fires

In an article which recently appeared in the London "Evening News," Mr. W. G. Faulkner stated: "In making my inquiries I discovered one significant fact. This was that one company--the Gas Light and Coke Company--had among their consumers 2,500 doctors who had gas fires installed in their houses, some as many as ten or a dozen; that 1,500 of these doctors had become users of gas during the past three years; and that not one had ever given them up."
Professor C. V. Boys, F.R.S., says, in the "Standard": "Sentiment and inertia are the only obstacles against the general adoption of gas fires and cooking appliances. Wonderful strides have been made, in spite of deep-rooted prejudice. A gas fire, burning with a flue, is an admirable agent for heating a room; and, as a scientist, I fail to understand how such a gas fire dries the air in a room more than any other fire."--Nov 17, 14

Found Goods Consigned to Germany.

Six bags of oil meal cakes marked "Germany," six more bags of oil meal cakes marked "Turkey," and one bag of cocoa beans marked "Liverpool" in large letters, and "Hamburg" in small type, were discovered in the cargo of the Norwegian ship Sandefjord yesterday.
In addition to the bags of cakes and cocoa beans, a score of small bags were found, bearing "Copenhagen" stamped on the sides, and "Germany" branded in small letters on the heads. One of the bags was opened and found to contain sausage casings.
About ten o'clock yesterday the men working from No. 1 hatch noticed a bag of cocoa beans that was marked in big letters "Liverpool," and the word "Hamburg" stamped in very small type just below "Liverpool," and at right angles to it.
Just about the same time, the twelve bags of oil cakes consigned to "Germany" and "Turkey" were discovered in No. 3 hatch. The kegs were found two hours later.
The furnace shed is now filled to overflowing. The Sandefjord has moved to the Sugar Refinery wharf at Richmond--Halifax paper.
