## Resolution for 1916.

Realizing that it is my duty as a citizen of New-  
foundland to help provide employment for our work-  
ing people and to keep the wheels of industry running,

I HEREBY RESOLVE that from this time forward,  
no matter what I may buy, I shall take pains to enquire  
if it is the product of a home factory, and, if it is, qual-  
ity being equal, I shall give it the preference.

Will You Think It Over?  
**The Standard Mfg. Co., Ltd.**

## AN APPRECIATION.

The following telegram just received by L. M.  
TRASK & CO., Nfld., Distributors for FERRO Engines,  
is in appreciation of the large volume of business se-  
cured by this company for the Ferro Factory. The mes-  
sage is as follows:—

"To L. M. TRASK & CO., St. John's, Nfld.  
"To avoid outside parties purchasing in  
Montreal, are giving you exclusive agency in  
Province of Quebec. Mail complete order for  
repair parts for spring to be shipped with car.  
(Signed) —  
FERRO MACHINE & FOUNDRY CO.,  
Cleveland, Ohio."

Messrs. TRASK & CO. have been Factory Distribu-  
tors for the FERRO in the Maritime Provinces and  
Nfld. since 1907, and the extension of the territory  
given them by the Ferro Factory is proof that they  
can get the business.

The Ferro organization has over 1500 agents  
throughout the world, and the executive has stated to  
Mr. Trask on several occasions that he has sold more  
engines for them than any other three agents put to-  
gether.  
In fact, they have already disposed of three car-  
loads (about 180 engines) since last September in  
Nfld. alone, a record unequalled for this time of year  
by any other concern. Jan 12, eod, t.f
