Fats Supply one Third of our Energy.

There is nothing more necessary to health than fat, but it must be a digestible fat, like Crisco. Crisco is a vegetable shortening and remains pure and sweet, with wholesome results in every cooking. All good housekeepers choose Crisco. It has stood the severest tests and is highly recommended in good homes where cooking is taken as seriously as it should be. You can obtain Crisco from your grocery store. It is distributed in Newfoundland by Gerald S. Doyle, St. John's.
