**A DISTINGUISHED PHYSICIAN**  
has said that Neuralgia is the cry of the hungry nerves for their special food, which is the Phosphorus contained in the blood. This painful disease is usually followed by general prostration, on account of the great waste of nerve tissue and insufficient supply of nerve force to maintain the functions of the system. The cause of Neuralgia and Rheumatic Pains is depraved nutrition arising from Derangements of the Stomach, Malassimilation of Food, and Poor Blood. Dr. Wheeler's Compound Elixir of Phosphorus and Calissaya supplies Phosphorus for the all-around system, lime as an excitant of nutrition, iron for the blood, and Calissaya for promoting strength. No preparation in existence is so reliable to maintain the vital forces and energize all the organs and tissues of the body.
