HIGH RIVER RAIN HAS SMITH IS ASSISTANT CALGARY SCHOOLS

Mr. A. J. Smith, present government spector of schools, has accepted the offer made by the Calgary school board as assistant to the Calgary superintendent of schools, Dr. A. M. Scott. The position is a new one created by the board to afford Dr. Scott more time to devote to the consideration of the larger educational problems becoming prominent in this city.

Assistant Secretary Smith's new duties will consist largely of examining and grading schools. He has an enviable reputation as a capable inspector, and will be a valuable acquisiion to the official personnel of the

Compeigne, France, July 9.—M. Legagneux, a French airman, today broke the world's speed record for an aeroplane carrying one passenger. The machine traveled 124 kilomiters (77 miles), in one hour. Paris, July 9.—Gabriel Paulain today won a prize of \$200 in "Aviette" competition. The conditions were that a man should fly one meter at a height of ten centimeters by supplying his own motive energy. Poulain flew three meters sixty centimeters (approximately 11 feet 10 inches.)

WHAT THE PRESS AGENTS SAY

Margaret Illington Coming. At the Sherman Grand, Margaret II lington will open a three-night engagement, in a play written by a San Francisco author, Charles Kenyon entitled "Kindling." Mr. Kenyon has found a story which in its details is unfamiliar to the stage, and he makes it tell itself in a simple and appeal-

ing manner. Maggle Shultz is the wife of a stevedore, and they make their home the squalld tenement. Maggie's husband, in such intervals as exist in performing the duties of a stevedore, reads books and has theories chief among which is that it is a grievous sin to bring a child into the world among such squalid surroundings as his and Maggle's. For this reason, Maggie fears to tell him of the meals, to sleep sound and look your cradle hidden in their own home. She best, nothing can help like Dr. Ham- sets out to solve the problem of obilton's Pills, 25c per box, five for \$1.00 taining surroundings in her own way puostpaid from The Catarrhozone Co., draw her own distinctions between being right and being good. Briefly Maggie is offered a place as a seams tress in the house of the woman who owns the tenement in which they live. f its conditions, and she accepts the
