HEALTH AND BEAUTY LECTURE TO BE REPEATED TODAY

Dress Subject of Mrs. Blair's Lecture at Hudson's Bay Today

A record audience heard Mrs. Blair's address on "Health and How to Retain It" yesterday in Hudson's Bay hall at the Hudson's Bay. Health, which has come to be a synonym for beauty, is ever of every woman, and while the subject itself is certain to draw a good attendance, the attraction was more than usually strong in this particular instance in the fact that Mrs. Blair was a speaker, not only an expert on the subject but a clever, intelligent speaker. She was listened to with keen, intense interest throughout, and her lecture ended only too soon for the enthusiastic audience. The speaker illustrated her address by a demonstration which she uses to retain her health and good looks as well. The entire lecture proved a popular treat and arrangements have been made to have it repeated on Friday afternoon when the relation of food will also be discussed by the speaker. This subject will introduce those necessary for tissue building and also those to be avoided or used in reducing flesh.

Dress will be the subject of today's address, in which the speaker will touch on life, color, material, etc. in clothes. Tomorrow an imaginary Thanksgiving dinner will be served, and on Thursday the home and its furnishings will be the subject. The series will end with the question box on Saturday when Mrs. Blair will answer any questions asked.

SPECIAL APPEAL FOR BRITISH RED CROSS WHICH NEEDS FUNDS

Oct. 18 Set Aside as "Our Day," on Which Everybody Is Urged to Donate

October 18 next is being set aside as a day of special appeal on behalf of the British Red Cross society. On that day throughout the great commonwealth of nations which compose the British empire, our people will be united in a combined effort to raise funds to help the sick and wounded who are being cared for by our parent Red Cross society.

In Canada the campaign for funds is being conducted by the Canadian Red Cross. In view of the importance of the appeal the lieutenant-governors of our various provinces have been requested by both the British and Canadian authorities to do all in their power to officially endorse this campaign, and to assist our society and our people generally in raising the largest possible return from the efforts made. It should be borne in mind that though the Canadian Red Cross is responsible for the care of Canadian wounded, yet our society is subsidiary to the British Red Cross on which falls the great burden of ameliorating conditions for wounded soldiers and sailors in every theater of the war.

It is estimated that \$40,000 a day is required to meet present demands made upon the society. Expenses are increasing continually. The result is great, so great that it is our imperative duty to render every possible assistance. Our sheltered homes, our trained nurses, our hospital training school for nurses, have arrived in the city and is staying with Mrs. W. H. Beal.

BIG FIGHT TO SAVE HOMESTEADER'S LIFE

New Trial May Be Awarded Donald Moke, Sentenced for Murder

Edmonton, Oct. 1.—In the appellate division of the supreme court of Alberta, argument is being heard in the reserved case in connection with the trial of Donald Moke, the 18-year-old Peace River homesteader, who is now awaiting execution at Fort Saskatchewan for murder.

During the hearing of the case at Peace River, A. G. Mackay, K.C., who was acting for the prisoner, took objection to certain remarks of the trial judge and the crown counsel with reference to evidence of the physicians, and it was on this objection that the reserved case was granted by Justice Stuart, who was presiding at the hearing.

The date of the execution of Moke was set down for Monday, October 15. Hon. Mr. Mackay recently visited Ottawa and presented before the governor general the ministerial plea for a commutation of the death sentence. No decision on this has yet been handed down by the privy council.
