

NO MONEY COMES EASIER

Than interest money, when you once have made a start. To start an account here takes but one dollar; when it begins to draw 3 per cent, and never stops working, day or night, compounded every six months whether you look after it or not.

LOCAL MARKET.

Thursday, March 6, 1906. There was a good-sized crowd of farmers at the market this morning. The smaller lines were better represented today than at any mid-week market for some time back. The high prices paid here on Saturday for dairy produce was repeated today. Prices as a rule were steady.

Grain—There were 20 loads of oats on sale; sales were brisk at \$1.05 and \$1.06 per cwt. One load of barley sold at 95c per cwt. Three loads of wheat went at 80c per bushel.

Butter and Eggs—Butter was in brisk demand; sales were made mostly at 25c for pound rolls, by the basket lot; crocks sold at 24c to 25c. Eggs were easier at 16c to 18c per dozen, most of them going at 16c per dozen, wholesale.

Vegetables and Roots—Potatoes were in fair supply; sales were rather slow at 80c to 85c per bag. Lettuce, radishes and green onions, were in good demand at 25c to 40c per dozen. Other vegetables as quoted.

Apples—There were not many offered; prices were firm as per quotation.

Poultry—Not very much offered, nearly all being held by the hucksters. A few turkeys were sold by the farmers at 14c to 16c per pound. Chickens were as quoted.

Dressed Hogs—Sales were brisk at \$9 per cwt. for nearly all that were offered.

Butchers' Meat—There was a fair supply today; sales were a trifle brisker; prices were as quoted. Hay and Straw—There were 42 loads of hay offered today; sales were slow at the opening of the market, later on it went off with a rush at \$7 to \$8 per ton. Straw was in demand at \$5 to \$5.50 per ton.

LIVE STOCK MARKETS.

OLD COUNTRY PRICES. London, March 5.—Canadian cattle are unchanged, at 16c to 18c per lb.; sheep, 12c to 15c per lb.; refrigerator beef is 75c to 80c per lb.

TORONTO JUNCTION.

Toronto Junction, March 5.—The market today at the Union stock yards was about the same as last week, with the exception of a rise in price of butchers' cattle, and a drop in hog prices. The quality of cattle today was in no way better than last week, and there is a general demand for a better quality.

Good butchers' cattle were high in price and scarce in quantity. The price today was about 10c in advance of last week. Exporters were a little easier and better quality asked for.

Hogs dropped about 25c today, and the prospects are for a lower price. Today they are quoted at 55c for select and 50c for lights and 45c for common.

The run today was 75 cars, consisting of 1,470 cattle, 23 sheep, 106 hogs, 21 calves and 4 horses.
