SARNIA SEVEN SUCCUMBED IN FINAL GAME OF ROUND

Tunnel Town Aggregation Put Out of the O. H. A. Running by London Intermediates, Who Won Game by 14 to 6-Big Crowd Witnesses Fairly Good Contest.

In a game that smacked of the burlesque at times, owing to the apparent inability of the players to play good hockey, the Sarnia Intermediates parted company with the O. H. A. last evening, when they were beaten by London by the score of 14 to 6. As London won in Sarnia on Friday night with a two-goal margin, the local intermediates win the round by ten goals,

seven more goals were scored in the second half by the London team. The Sarnia players seemed to lack the snap and vim that characterized their play on their home ice on Friday night. Perhaps the two-goal lead on them took the heart out of them, but they were a game bunch, and the way they dug into Captain Grannary's aggregation at the start made local fans sit up and take notice. For the first difteen minutes of the initial period, the Tunnel Towners had as much of the play as London, and they were scoring quite as often. But condition counted, and London seemed to have it on Sarnia in this respect. Every man on the London team was in great shape and able to stand the going. On the other hand, Sarnia lagged at times. Last Half a Parade.

The last half was just a parade on the Sarnia goal. In the last ten minutes of the game, London repeatedly rushed the puck to the Sarnia end. Cameron, the border town's cageminder, was on the job, and he played the game of his life. He made some great stops and prevented a much larger

The contest was comparatively clean, although at times some one of the players would try a little rough stuff. Referee Sid Rankin had a lot to do, and he acquitted himself pretty favorably. It was the first opportunity London fans had to see Rankin in an O. H. A. game, and on the whole his work was approved of. The penalties in the second half were more than in the first.

Sarnia Stars. For Sarnia, Dodds, Storey, Finch and Wilson were the stars. The Tunnel Town team is a good one, and were it a shade faster it might be in a class with the locals. The Sarnias lacked speed last evening, and in this London was superior. The visitors could not get away together, and when they did they were easily backchecked. Dodds and Wilson tried numerous individual rushes, Dodds being particularly hard to stop. But neither of them figured in the scoring, and they were generally chased into the corners before having the opportunity to shoot. Storey and Finch played a nice game on the forward line, both contributing goals to their team. Both Storey and Kinch were not feeling well when they went on the ice, but they gamel y stuck it out, and played a good game.

London Players Played Well. For London, every man deserves credit. Sarnia was no lunch, and only brilliant combination play enabled London to win out. The London combination and team work dazzled the visitors, and half the time they were looking for the puck. Wardrope made some nice stops, and he was well assome nice stops, and he was well assisted by Billy Borland and Jimmy Grannary. Reid seemed to be the shining light of the locals. He was here, there and everywhere, and seemed to have all kinds of "pepper." His play-ing in the last half, helped keep the game fast. Walden, Gillies and Mc-

Same fast. Walden, Gillies and Mc-Avoy played their usual good games. Walden played a particularly effective game. Lee looks better every time out, and he is one of the hardest and best back-checkers London has. His shooting is also improving nicely, and he gets 'em'right on' when he shoots.

Gillies Was Good.

Laurie Gillies was a trifle sick last evening, but he played a good game, nevertheless. McLellan, his check, is the hardest man on the Sarnia team to hold, his shooting being particularly wicked. The fact that he had few shots last evening says much for the way Gillies held him down.

There was no noticeable difference in the playing of both teams last night and on Friday night. But there were many little incidents that tended to give a burlesque touch to the affair, and make the crowd laugh.

London Superior.

There was no doubt of London's superiority last night. The locals played periority last night. The locals played in the priority last night. The locals played in the priority feeling that they gave the local in the lattern of the amount of the affair, and the hardest fight of the season 7nd scored more goals against the red, white and black on their home ice than any other team has done so far this winter.

Sarnia Starts Again.

Sarnia started the scoring in the second half, Storey taking the puck from the corner and dodging out in front of the net, where he placed the puck past Wardrope. Grannary lifted the lid for London, scoring the eighth on a pass from Reid in six minutes. Storey duplicated his performance and again scored for Sarnia what proved to be the last goal the visitors got. Reid got London's ninth in nine minutes, and two minutes later Borland made it ten. The whole London team was playing on the offensive at this stage, the defence players rushing on the Sarnia net together with the whole forward line. Gillies got the eleventh on a nice shot, and McAvoy came back with the twelfth and thirteenth. The fourteenth and last goal of the teenth. The fourteenth and last goal of the game for London was scored by Grannary in 27½ minutes. Although London had Sarnia on the run during the rest of the game, the locals were unable to locate the net.

They are billed for the first game, and the result of the contest will practically decide the league championship. If Perrins win the teams will be tie, but a win for the Empire will give them the title of champions for 1913.

WESTERN. COCCURATION OF Third and Samuel From Ambitious City Beat Pick of Detroit Teams.

Detroit, Feb. 18.—A small band of Candadians boarded a train for a small Ontario city at 10:30 last evening, with some basketball uniforms and the basketball supremacy of Detroit safely tucked away in their gripsacks. Hamilton "Y" copped a victory from the D. A. C. quintette at the Moose Temple. 23 to 19, and in doing so demonstrated their ability to take on anything this big city can put in the field, run rings around it, give it a seemingly commanding lead, and then come from behind and show it many things that it never even imagined. Starting in the second half with the in the field, run rings around it, give it a seemingly commanding lead, and then come from behind and show it many things that it never even imagined.

Starting in the second half with the count two points in favor of Detroit, Hamilon began to prove its true worth. First a free throw by George Madgett, the captain and left forward, made the count 13 to 12. Then came baskets in quick succession by Veale and Webster, the latter making a second just a moment later, which made it 18 to 13 in Hamilton's favor. It was never in danger of swinging to Detroit after that point. Chicago, Feb. 17.—At the annual meeting here today of the Great Western Circuit, the following cities and dates were assigned:

Decatur, Ill., Aug. 5-8; Peoria, Ill., Aug. 19-23; Desa Moines, Ia., Aug. 25-29; Hamline Park, Minn., Sept. 1-5; Milwaukee, Wis., Sept. 8-12; Detroit, Mich., Sept. 16-8; Peoria, Ill., Sept. 22-27; Sedalia, Mo., Sept. 30-Oct. 3; Springfield, Ill., Oct. 6-11; open dates, Oct. 13-18, no application; Dallas, Texas, Oct. 30-Nov. 2; Phoenix, Ariz., Nov. 3-8.

Hamilton's favor. It was never in danger of swinging to Detroit after that point, as both Webster and Veale contributed another, and, although Mazer made his lone field goal and four free throws throughout the session, it was impossible for Detroit to buck the all-around superiority of the visitors, the game ending 23 to 19. with the winners the stronger of the two teams in all departments. The teams:

D. A. C.—Gordon, Keidan, MacDiarmid, left forwards; Walker, right forward; Boosey, centre: Mazer, left guard; Miller, (captain), right guard.
