Mrs. J. L. Lewis of Dundas, a young married woman died in the hospital on Tuesday. The body was taken to Earl River for interment.

Just a week to pass we regret to hear that Mr. John McDonald who is still in the hospital is much weaker and grave fears are entertained as to his condition.

The implicit confidence that many people have in Chamberlain's Cough and Cholera and Diarrhoea Remedy is founded on their experience in the use of that remedy and their knowledge of the many remarkable cures of colic, diarrhoea and dysentery that it has effected. For sale by all dealers.

Mr. J. D. Murray of Queen Street has started a hardware residence, and James Alexander a concrete block and tile corner of Water and Ranney Street.

If you know of a real value of Chamberlain's Liniment for lame back, aches of the muscles, and rheumatic pains, you would never wish to be without it. For sale by all dealers.

The alterations at the Opera House are proceeding apace. When completed the house will be able to seat nearly 1000 people, and will be finished in first class style. The comfort and convenience of his patrons being manager Dimock's first consideration.

A Thanksgiving supper has been arranged by the ladies of the Presbyterian Church in aid of the organ fund, to be held on Thanksgiving night probably in the new masonic hall. The ladies have had this matter under review and are now perfecting their arrangements.

An article that has real merit should in time become popular. That such is the case with Chamberlain's Cough Remedy has been attested by many dealers. Here is one of them. H. W. Hendrickson, Ohio Falls, Ind., writes, "Chamberlain's Cough Remedy is the best of coughs, colds and croup, and is my best seller." For sale by all dealers.

On the very night we needed it most we heard a sad refrain of "The Light that failed." An obstreperous belt was the cause of the trouble and it was unkindly suggested that it must have been a Conservative belt, and it wanted to inspect Mr. Maclellan's meeting.

## THAT ACHING BACK

Get Promptly Out of It with  
Chamberlain's Liniment

Dr. J. C. Morley's medical resources led him to evolve, out of Nature's laboratory, a Liniment of remarkable curative power. It had the merits of other remedies of the kind, without their disadvantages, and contained other ingredients with unique value in bodily ailments.

The good, quick, curative, prescribed for many kinds of aches and pains with most satisfying results, and after his death continued to relieve and cure.

In cases of backache due to kidney trouble it is efficacious as a supplement to other remedies. It is also efficacious in rheumatism, neuralgia, and many similar afflictions. Take with the Liniment, to quickly remove the cause.

The Liniment is clean, has an agreeable smell, and when rubbed in goes to the seat of the trouble and promptly relieves. Nothing more which could be said has ever been compounded. Chamberlain's Liniment is a good remedy for all kinds of aches and pains.

## PROFESSIONAL

Dr. A. Pierce Crockett, eye, ear, nose and throat specialist, of St. John will be at the Arlington Hotel, Campbellton, Friday Sept. 29th, where he may be consulted professionally. Sept. 21-22 yrs.

Our good friend Mr. John McDonald who is still in the hospital has been making a little better progress toward recovery. We trust this will be maintained for the cheering news of his convalescence is received gratefully by all.

The fall is now upon us, as we have the Fall Millinery openings to gladden the hearts of the ladies next week and in passing, lighten the pocket of the mere man. Miss Henderson opens this Friday and Saturday, Miss Utican on Wednesday and following days, and Miss O'Keefe on Thursday and Friday next. The displays Miss O'Keefe told our reporter will be of a high class, and a good season is being looked for.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Sent for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, Ohio. Sold by druggists. Take Hall's Family Pills for constipation.

A song festival on the biggest scale is being projected by the Masonic brethren here. Martin Davies, the great English tenor, fresh from his triumphs at the Royal Welsh Festival in the old country, will appear shortly in Campbellton supported by a first class array of artists. This will be the greatest concert ever given here, the proceeds of which will go to purchase regalia for the new Masonic Temple. Watch for the posters.

Few, if any, medicines, have met with the uniform success that has attended the use of Chamberlain's Cough, Cholera and Diarrhoea Remedy. The remarkable cure of colic and diarrhoea which it has effected in almost every neighborhood have given it a wide reputation. For sale by all dealers.

We wish to thank our many subscribers who so promptly responded to our appeals for funds to enable us to erect a permanent home for the Graphic. During the past week we have received many remittances and many are now readers to the Graphic's list. We hope that many more will follow the example of those who have remitted and aid in their amounts at an early date.

The contractors are making good headway with the subway from Rosberry Street to Water Street. They are now almost ready for the concrete work and in a very few weeks it is expected to be open for traffic.

Running up and down stairs, sweeping and heading over, making beds will not make a woman healthy or beautiful. She must get out of doors, walk a mile or two every day and take Chamberlain's Tablets to improve her digestion and regulate her bowels. For sale by all dealers.

The Tea and Social evening on Tuesday evening at the Masons was badly marred by the rain and the lack of our electric illuminations. Nevertheless a good turn-out tasted of the various delicacies provided by the ladies and a good sum raised for the organ fund. Rev. Mr. Drumm delighted the people with his singing.
