"Ladies' Journal" Bible Competition No. 9.

During the year ending with September last, the proprietor of the "Ladies' Journal" has given a very large and valuable lot of rewards to his subscribers, aggregating an immense amount of money.

We are sure that the Piano, Organ, Gold and Silver Watches, Silver Tea Sets, Books, etc., have given great satisfaction. A good deal of excitement has been caused by the advent of some of these costly prizes into the towns and villages of Canada and the United States.

They have been sent to all parts almost of the two countries, quite a number even going to England, and other distant places. Full lists of the winners are always published in the "Ladies' Journal" immediately at the close of each competition, names of winners are given in full, together with the street and number, where possible, so inquiry can readily be made by those who are doubtful. There can be, therefore, no fraud. We can positively testify to the fairness of the matter ourselves, as we know everything is carried out exactly as promised. For the benefit of those of our readers who desire to compete we give the plan in detail.

To the fifteen hundred persons who correctly answer the following Bible questions, we will give, without extra charge except for freight and packing of goods, beyond the regular half dollar yearly subscription, the beautiful and costly rewards mentioned below. We will give the Bible questions that require to be answered first:

- 1. Where are cattle first mentioned in the Bible?
2. Where are cattle first mentioned in the Bible?
They are not very difficult, but require a little study to look them up. Don't delay; the sooner you answer them the better. Here you have the list of first rewards. Number one in this list will be given to the sender of the first correct answer to these two Bible questions. Number two to the sender of second correct answer, and so on till all the series of first rewards are given out.

THE FIRST REWARDS.

- 1 Six Hundred Dollars in Gold Coin.
2 One Grand Square Piano by a celebrated maker.
3 Two Grand Square Pianos.
4 and 5 Two Fine Toned 10 Stop Cabinet Organs by a celebrated firm.
7, 8 and 9 Two Fine Quartz Plate Silver Tea Services—six pieces, and One Fine Quartz Tea Service.

MIDDLE REWARDS.

- 1 Seven hundred and fifty dollars in gold coin.
2 and 3 Three Fine Grand Square Pianos, by a celebrated maker.
4, 5 and 6 Three Fine Toned Cabinet Organs, by a celebrated maker.
7, 8, 9, 10 and 11 Five Fine Solid Gold Stem Winding and Stem Setting Watches.

THE CONSOLATION REWARDS.

- 1, 2, 3 and 4—Five Hundred Dollars in Gold Coin.
5, 6 and 7—Three Fine Grand Square Pianos, by a celebrated maker.
8 to 10—Three Fine Quartz Plate Silver Tea Services.
11 to 13—Eight Ladies' Solid Gold Stem Winding and Stem Setting Watches.

This altogether forms one of the most attractive and valuable plans we have ever seen. The aim of the proprietor of the "Ladies' Journal" is of course to increase its circulation. In fact he says so, and admits that he only hopes to encourage the study of the Bible, but frankly states that this part of the plan is not his sole aim, and goes on to explain that he has lost so much money by dishonest agents, and has spent so much in valuable premiums to encourage them to send large lists, that he has decided to give all these things direct to subscribers, for answering those Bible questions. Assistants are pleased with your half dollar investment, and the "Ladies' Journal" consists of twenty pages of the choicest reading matter, and contains the sum and substance of many of the high priced fashion papers and magazines published in the States, and all for the low price of half a dollar, or one year's subscription. It also contains two pages of the newest music, short and serial stories, household hints, and all the latest news of the day.

A Good Motto.

"Waste not your substance in riotous living, which feeds impure blood and clogs the system with disease. Open the channels of health, purify the blood, and regulate all the organs with Burdock Blood Purifiers."

and you live a good distance from Toronto, fifteen days being allowed for the closing of letters to reach the office from distant points, you are almost certain to secure one of the consolation rewards. At all events we most heartily recommend it, and trust many of our readers will avail themselves of this excellent opportunity of securing once an excellent publication, and a possibility of a piano, organ, gold watch, silver tea set, or some other of the many rewards offered. The address is Editor of the "Ladies' Journal," Toronto, Canada. Don't delay attending to this but do it now, and you will not regret it, you may depend.

The average monthly expenses of the Paris opera house are \$80,000; the average receipts, \$70,000. With this monthly deficit of \$4000 the opera goes on and on. When one impetuous, castle-building Frenchman has exhausted his resources, another impetuous, castle-building Frenchman is ready to risk his fame and fortune at the shrine of Heres, notwithstanding the continual succession of sacrifices, however doubt, and it has even been proposed to tear down the colossal white elephant. But, of course, they won't do it.

"She tried her penance hand on man, And thus she formed the ladies' O. 'What is woman's worth?' asked a fair damsel of a crusty old bachelor. He did not know, so she said: 'W. O. man (double you O man). But woman feels worth little if disease has invaded her system and is daily sapping her strength. For all female ailments, Dr. R. V. Peare's 'Favorite Prescription' stands unrivaled. It cures the complaint and builds up the system. Send two letter stamps for pamphlet to 'The Dispensary Medical Association, Buffalo, N. Y.'"

Said Rev. De Witt Talmage in the course of his Sunday sermon, 'When sudden sickness has come, and fever, cholera, and malignant fevers take the castles of health by storm, we appeal to God, but in the strength day after day, week after week, and year after year, how little we resort to God for help.'
