Our Share

If the law which relates to Highway Improvement is a Provincial law, then it is fair to assume that the entire Province is entitled to benefit.

If the money which has been contributed by the Government towards the building of Roads belonged to the entire province and each County has received its share, such share being based upon Rural Population, the County of Lambton would have received \$76,625.00. This amount has been lost to us while we get as profit the experience of others. The Auto License Fees paid by the County including the City of Sarnia amounted last year to about \$15,000.00. This will be increased this year—so far as we can learn.

Now the only way for the County of Lambton to obtain our share of this money for our roads is to have our County

Council adopt a system. On a basis of the County spending \$100,000.00 annually upon its roads under this System, this amount being contributed by the Province, the County, and the City, the average cost to each One Hundred acre farm would be \$4.78, while the average cost per capita would be 95 cents.

The County would require to raise \$37,500.00, while the balance of the \$100,000.00 would be made up by the city and Province as stated.

From a purely business standpoint, doesn't it appeal to the ratepayers that it is a good thing to have others assist?

Those besides ratepayers use the Highways; why shouldn't they be given a chance to pay?

The Essex county agricultural representative estimates that 300 carloads of onions will go from Leamington district for fall sale.

A MARVELLOUS MEDICINE FOR LITTLE ONES

Mrs. Delvina Pelletier, Ste. Perpetue, Que., writes: "I have much pleasure in stating that Baby's Own Tablets have been a marvellous medicine in the case of my baby. I have been using the Tablets for four years and don't think there is anything to equal them." In using the Tablets the mother has the guarantee of a government analyst that they do not contain one particle of opiates or other harmful drugs—they cannot possibly do harm—they always do good. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Vision Your Sons, Mothers of Canada!

Vision them at early morning when through the rising mists, there bursts a hurricane of fire---

See your valiant boys---calm, grim, but cheerful, "stand-to-arms" until the Hun's "morning hate" dies away.

Picture them at breakfast, the meal that must bring them the bodily sustenance to carry them through the strain of another day.

Then think what might happen if, one morning, there was no breakfast---no food, and word went down the lines that Canada had failed them.

Vision all these things, and then---as Women of Canada---Mothers of Men---Answer this Call to Service.

Canada must send to Her Own, and to the Allies Fighting Forces, more wheat, more beef, more bacon, and more of such other foods as are non-perishable and easily exported.

They Must Be Fed

Statistics show that, everyday, in Canada, sufficient food is thrown into garbage cans to feed the entire Canadian Overseas Army.

Travellers have often remarked that many a European family would live well upon the quantity and quality of food wasted in some Canadian homes.

Such waste is shameful at any time; but in these times it is criminal.

Canada can do this without depriving her own population of a fair share of any of these foods if You Women will but help.

All we ask of you is, that instead of buying so much white flour (if you do your own baking) you vary your baking by using one-third oatmeal, corn, barley or rye flour. Or, if you buy your bread, that you order a certain proportion of brown bread each day.

Second, instead of using as much beef and bacon as formerly, you vary your family's diet, by substituting for beef and bacon such equally nutritious foods as fish, peas, lentils, potatoes, nuts, bananas, etc.

Third, and this is most important, ---positively prevent the waste of a single ounce of food in your household.

Our only hope is that with these truths before you, and in view of the vital issues at stake, we may count upon your earnest co-operation in stopping this appalling waste; and in substituting other foods for the wheat, beef and bacon that must be sent overseas.

Next week a Food Service Pledge and Window Card will be delivered to you. It is your Dedication to War Service. The Window Card is your Emblem of Honour.

Woman's Auxiliary, Organization of Resources Committee, in Co-operation with The Hon. W. J. Hanna, Food Controller.
