CHILDLESS WOMEN

Please Read This Letter And See What Normal Health Will Do For You.

Berwick, Ont.—"I had organic trouble, and after taking Lydia E. Pinkham's Vegetable Compound and Blood Medicine all my troubles passed away. I was made strong and well and have been ever since. Now we have a fine baby six months old, and I know that I would not have this baby and still be suffering if it had not been for your remedies. My husband and myself say that your remedies are worth their weight in gold, and I recommend them to my friends. One of my aunts is taking them now."—Mrs. N. POLSON, LAVIGNE, Berwick, Ontario, Canada.

Among the virtues of Lydia E. Pinkham's Vegetable Compound is its ability to correct sterility in many cases. This fact is well established as evidenced by the above letter and hundreds of others we have published in these columns.

In many other homes, once childless, there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (Confidential), Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

CARRIES TANLAC ACROSS ATLANTIC

Dreaded to Put To Sea Without Medicine That Relieved His Stomach Trouble.

Before starting on his last trip across to Gibraltar, with a load of 3649 quanta of fish, Captain Fred Hollett, of Burin, called in at Connor's Drug Store in St. John's, to get six bottles of Tanlac, as he expected to be away for some months.

"So long as I've got Tanlac with me I don't fear the trip," said Capt Hollett, "but I've been such a sufferer from stomach trouble that I just dread putting to sea without it for Tanlac is the only thing that ever did me any good. Mine was a pretty bad case. I don't believe anyone ever suffered more than I did without going out of his mind. For eight years I never touched a meal without severe distress and stomach pain afterwards that fairly doubled me up. I never seemed to get any good out of my food and always seemed played out and weak. I had such headaches that they made me light-headed and I often had bad dizzy spells. I never slept well of a night and would get up in the morning with a bad taste in my mouth and feeling so sick that I couldn't touch a bite of breakfast. I got advice both in European ports and here in Newfoundland, and was told that I had catarrh of the stomach. I took lots of medicine, but it was all money thrown away for all the good it ever did me.

"When I came in from my last voyage, everybody seemed to be talking about Tanlac, and after reading of several people I knew who had got help from it I decided it was just about what I needed. And sure enough Tanlac fixed me up all right. Why I can now eat anything the cook puts before me and it never has any bad after effects whatever. I enjoy breakfast which is a thing I haven't done for years and I sleep just fine every night. I'm on deck for duty every day without fail and to tell you the truth I feel a different man entirely."

Tanlac is sold in Bridgetown by S. N. Wearie in Middleton by Clifford A. Mumford and in Bear River by L. V. Harris.

WHY HE WATCHED

The man getting his hair cut noticed that the barber's dog, which was lying on the floor beside the chair, had his eyes fixed on his master at work.

"Nice dog, that," said the customer. "He is, sir."

"He seems very fond of watching you cut hair."

"It ain't that, sir," explained the barber. "You see, sometimes I make a mistake and snip off a little piece of a customer's ear."
