The electric light situation in Bridgetown appears to be about the same. The Mayor and a number of the town councillors have visited the power plant and inspected the dam. The Board of Trade will petition the Board of Public Utilities to look into the matter as soon as possible.

LABOR DAY IN BRIDGETOWN

Everything is pointing towards a successful celebration in Bridgetown for Labor Day. Mr. A. C. Charlton, chairman of the entertainment committee, informs us that he has secured the best Vaudeville company in Halifax to give an entertainment before the grand stand, both afternoon and evening.

THE HARVEST EXCURSION

The following announcement was issued by the C.P.R. Wednesday: "The second harvesters' excursion advertised to be run from St. John on August 17th, will be cancelled owing to the fact that the first excursions run by the railway have sent forward sufficient help to meet the demands at this date. If it is found that a further demand for help is made for farm laborers the railways will arrange for an additional excursion to be run."

ANOTHER SUCCESSFUL MOVING EVENT

The Digby Courier says: W. A. Chute, of Bear River, has just completed moving two residences at Mt. Pleasant, those of Leo VanTassel and Austin VanTassel. The former, which was some distance from the road, has been brought forward several hundred feet, and the latter was moved to the street a little beyond Leander Woodworth's.

Local Happenings

There will be no service in St. Mary's Church, Belleisle, to-morrow (Thursday) evening. Lieutenant W. H. Stronach was successful in obtaining five prizes at the recent Rifle Association meet at Bedford.

We wish to call particular attention to Mr. MacCoy's adv. in this issue. Farmers can be supplied with help on application. Several Bridgetown merchants are busily engaged in building floats for the Labor Day parade, which promises to be a good one.

The thanks of the Bridgetown Public Library Society are due to Mrs. Hector McLean for a set of Scott's novels and other works recently donated. A supper and social will be held in the school house at Ingleswood to-morrow (Thursday) evening under the auspices of the school committee.
