

HOW CAN YOU LOSE?

How Can You Be Out a Penny

In using it, in giving it a chance? How can you go wrong in trying it, in testing it for 30 days, in letting the experience of thousands guide you, when you don't pay a penny until it is proven, until you can say with gladness and gratitude "It is all right. It is the best thing I ever struck. It is an honest remedy." What risk do you run when we take positively and absolutely all the risk? How can you refuse when everything is in your favor, when it is all one-sided (your side), when we must show you before we can see a penny of your money, must be entirely satisfied with your decision, whether it be Yes or No? When it does the work you will gladly pay for it. If it fails, we lose. You don't! You cannot lose one way or another because you have not one single, solitary penny at stake. But you stand to win a great deal that you want, a great deal that you are fighting for—health, strength, vigor and comfort—Yes, even life. No one can lose a single penny by trying it for thirty full days, but thousands gain freedom from disease, from Stomach torture, from Kidney tyranny, from Bowel enslavement, from Heart-fear, from Rheumatic bonds. No one can throw away a cent in testing it, but thousands throw away the shackles of disease and become healthy, natural and normal men and women. How can you refuse, when here, right at your elbow, right within your reach, ready and waiting for you to turn and get it, is the thing that has set thousands right, yours for the mere asking. Read our thirty day trial offer, read what Vitæ-Ore is, and then act immediately.

WHAT VITÆ-ORE IS.

Vitæ-Ore is a mineral remedy, a combination of substances from which many world's noted curative springs derive medicinal power and healing virtue. These properties of the springs come from the natural deposits of mineral in the earth through which water forces its way, only a very small proportion of the medicinal substances in these mineral deposits being thus taken up by the liquid. Vitæ-Ore consists of compounds of Iron, Sulphur and Magnesium, elements which are among the chief curative agents in nearly every healing mineral spring, and are necessary for the creation and retention of health. One package of this mineral substance, mixed with a quart of water, equals in medicinal strength and curative, healing value, many gallons of the world's powerful mineral waters, drunk fresh at the springs.

Just Write This in a Letter:

"I am sick. I need Vitæ-Ore or something that will cure me. I have seen your trial offer. Send me a Dollar package. I will use it and pay you the Dollar if it helps me. I will not pay one penny if it does not help me."

That is all it takes. Just a letter asking for it. We and Vitæ-Ore do the rest.

THREE IN A FAMILY

Cured by Vitæ-Ore.

GORRIE, ONT.

We owe much to Vitæ-Ore, my husband, my brother and myself, and in recommending it to our friends and neighbors we try only to repay a small part of the debt. For many years I suffered with a sore back; it hurt me to bend it, to pick up something from the floor; at times the pain would be so bad I could hardly move. Then Sciatica developed and the misery I suffered was indeed something terrible. I tried every medicine and treatment which I thought would do me any good, but got very little benefit. I was almost without hope of relief when I saw the Vitæ-Ore advertisement, and I procured a trial package only as a last resort. It was offered so fairly that I thought there might be some good in it, and I knew

I did not have to pay for it if it did not do some good for me. By the time I had used half of the package I felt that at last I had found the right remedy, and I continued with it until I was sure the benefit was lasting. This was three years ago and I am still cured to-day.

My husband, who has been afflicted with Stomach Trouble, began its use upon seeing what it accomplished in my case, and it produced the same beneficial results for him, doing him more good than all of the medicines he had taken.

I was then so impressed with its wonderful powers that I sent a package to my brother in Manitoba, who had been given up as incurable with Rheumatism and Dropsy, and who, also, had a very bad running sore or ulcer on his leg. Before he had taken the entire package I had sent him, the sore was almost entirely healed and his health began to return. He had not been able to work for years, but after using altogether three packages, his health was so remarkably improved that he was able to return to his regular work. His wife writes me: "We cannot say too much in praise of Vitæ-Ore. It has made a new man of George."

I send my husband's and my own photograph, and am glad to add our testimonials to the long list who say "Vitæ-Ore has cured me."
