ADVICE TO MOTHERS.—Mrs. Winslow's SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It cools the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

COUGHS.

From E. J. LASCELLE, Watchmaker and Jeweller, Dunnville, Ont.: "I beg leave to say that I have used **WISTAR'S BALSAM OF WILD CHERRY** for many years, and pronounce it a capital remedy for Coughs, Colds, and all affections of the throat and lungs, having experienced relief from it many times. In fact, I would not care to be without it."

JOHN F. SMITH, Druggist, same place, says: "I can heartily recommend **WISTAR'S BALSAM** from my own experience and cases coming under my notice."

JAS. H. FLEMING, Druggist, St. George, Brant Co., Ont., writes that he has sold **WISTAR'S BALSAM OF WILD CHERRY** ten years, that from personal observation he considers it equal to any preparation he has seen used for the cure of Coughs, Colds, etc., and he does not hesitate to recommend it.

"Clear in thought, correct in expression, and cogent in argument and appeal."—*Halifax Chronicle*.

"Among good books for devotional or practical religious use we may mention with commendation 'Walks about Zion,' a series of brief, interesting and practical addresses on religious topics."—*New York Independent*.

"These addresses are brief, pointed, eminently practical. Mr. Elliott is well known in this community as an accomplished expounder of the Word of God, and with the gift of saying much in little, much meaning, few words. This is the characteristic of these addresses which we most cordially commend to the thoughtful reader. We confess to be reminded by these brief and terse discourses of our dear old favourite, John Foster."—*Presbyterian Halifax*) Witness.

SCROFULA

Usually develops in early life, and is a peculiar morbid condition of the system, usually affecting the glands, often resulting in swellings, enlarged joints, abscesses, thickening of the lips, enlarged neck, sore eyes. A scrofulous condition is often hereditary, but bad diet, too free use of fat meats, bad air, want of sunshine and nourishing food will produce it. Some people are troubled with scrofulous swelling of the glands, and with ulcers and kernels, which may cause very little pain; others may have inward scrofula, scrofula of the lungs, scrofula of the spleen, scrofula of the kidneys and scrofula of the bones. Burdock Blood Bitters will drive away any case of scrofula, and not to appear in another place, for their action on the blood and bowels will carry the disease entirely from the body.

CURE SICK HEAD

Sick Headache and relieve all the troubles incident to a bilious state of the system, such as Dizziness, Nausea, Drowsiness, Distress after eating, Pain in the Side, &c. While their most remarkable success has been shown in curing

SICK HEAD

Headache, yet Carter's Little Liver Pills are equally valuable in Constipation, curing and preventing this annoying complaint, while they also correct all disorders of the stomach, stimulate the liver and regulate the bowels. Even if they only cured

ACHE

Ache they would be almost priceless to those who suffer from this distressing complaint; but fortunately their goodness does not end here, and those who once try them will find these little pills valuable in so many ways that they will not be willing to do without them. But after all sick head

ACHE

is the bane of so many lives that here is where we make our great boast. Our pills cure it while others do not.

Carter's Little Liver Pills are very small and very easy to take. One or two pills make a dose. They are strictly vegetable and do not gripe or purge, but by their gentle action please all who use them. In vials at 25 cents; five for \$1. Sold by druggists everywhere, or sent by mail.

WHAT IS CATARRH?

Catarrh is a muco-purulent discharge caused by the presence and development of the vegetable parasite amoeba in the internal lining membrane of the nose. This parasite is only developed under favourable circumstances, and these are:—Morbid state of the blood, as the blighted corpuscle of tubercle, the germ poison of syphilis, mercury, toxomoea, from the retention of the effete matter of the skin, suppressed perspiration, badly ventilated sleeping apartments, and other poisons that are germinated in the blood. These poisons keep the internal lining membrane of the nose in a constant state of irritation, ever ready for the deposit of the seeds of these germs, which spread up the nostrils and down the fauces, or back of the throat, causing ulceration of the throat; up the eustachian tubes, causing deafness; burrowing in the vocal cords, causing hoarseness; usurping the proper structure of the bronchial tubes, ending in pulmonary consumption and death. Many attempts have been made to discover a cure for this distressing disease by the use of inhalants and other ingenious devices, but none of these treatments can do a particle of good until the parasites are either destroyed or removed from the mucous tissue. Some time since a well-known physician of forty years' standing, after much experimentation, succeeded in discovering the necessary combination of ingredients which never fail in absolutely and permanently eradicating this horrible disease, whether standing for one year or forty years. Those who may be suffering from the above disease, should, without delay, communicate with the business managers—*Toronto Mail*. MESSRS. A. H. DIXON & SON, 305 King St. West, Toronto, Canada. Inclose stamp for their treatise on Catarrh.

FROM THE PRESIDENT

OF BAYLOR UNIVERSITY.

"Independence, Texas, Sept. 26, 1883.

Gentlemen:

Ayer's Hair Vigor

Has been used in my household for three reasons:—

- 1st. To prevent falling out of the hair.
- 2d. To prevent too rapid change of color.
- 3d. As a dressing.

It has given entire satisfaction in every instance. Yours respectfully,
WM. CAREY CRANE."

AYER'S HAIR VIGOR is entirely free from uncleanly, dangerous, or injurious substances. It prevents the hair from turning gray, restores gray hair to its original color, prevents baldness, preserves the hair and promotes its growth, cures dandruff and all diseases of the hair and scalp, and, at the same time, a very superior and desirable dressing.
