Household Hints.

TO THE DEAF.—A person cured of Deafness and noises in the head of twenty years' standing by a simple remedy, will send a description of it FREE to any Person who applies to NICHOLSON, 30 St. John Street, Montreal.

CREAM TARTS.—Make a thin puff paste, cut small, bake and fill with whipped cream, on which drop a spoonful of acid jelly.

TO KEEP LEMONS.—Lemons may be kept fresh for a long time, if they are put in a jar and covered with water. They should be set in a cool place.

TO BRIGHTEN LAMP CHIMNIES.—Rub your lamp chimneys, after washing, with dry salt, and you will be surprised at the new brilliancy of your light.

PUFF CAKE.—Three cups flour, three eggs, two cups white sugar, one cup sweet milk, one cup butter, two teaspoonsful baking powder. Flavour with lemon.

CORNSTARCH CAKE.—Two cups of white sugar, one cup of butter, the whites of five eggs beaten to a froth, one cup of sweet milk, three teaspoonsful of baking powder, two cups of flour and one of cornstarch; flavour to taste.

PEARL BARLEY PUDDING.—Simmer a tablespoonful of pearl barley till thoroughly swelled in milk. Lay it in a pie dish, pour in the milk and a little sugar; place some tiny pieces of dripping (well clarified) on the top and bake.

CAULIFLOWER OMELETTE.—Chop fine the white part of cold, boiled cauliflower, and mix with a sufficient quantity of well-beaten eggs to make a thick batter. Fry in fresh butter in a small pan, and send to the table freshly cooked and hot.

I SUFFERED for a long time from a severe, hacking cough, which was pronounced by a skilful physician to be dangerous and liable to terminate in consumption. I was completely cured by using Wistar's Balsam of Wild Cherry. Henry A. Bean, Lawrence, Mass.

HASHED POTATO.—Cut some cold boiled potatoes into small dice, butter a shallow baking-dish, put in the potatoes about half an inch deep, sprinkle with pepper, salt and bits of butter; pour enough milk to cover them over all and bake in a brisk oven till quite brown.

TOMATO SOUP.—Stew one quart of sliced tomatoes in one quart of water until they are soft. Then add a quarter of a teaspoonful of soda and let the soup just come to a boil, after which add one quart of boiling milk, and salt, pepper and butter to taste. Last put in a few cracker crumbs or a little light bread.

PEACH SAUCE.—Beat a quarter pound of butter to a cream and add gradually a half cup of powdered sugar, beat until very, very light. Mash or press two large mellow peaches through a colander, add a little at a time to the butter and sugar, beating all the while. When very light turn into a pretty dish and stand in the refrigerator to harden.

LEMON HONEYCOMB.—Place the sweetened juice of a large lemon or two small ones in a dish in which the dessert is to be served. Beat the white of an egg into a pint of rich cream, and remove to the surface of lemon juice as fast as whisked. Serve with sponge cake. A little bright coloured jelly on the snowy whiteness enhances the attractiveness of the dish.

PEAR COMPOTE.—Wipe, but do not peel the pears, and steam them until they are tender. Remove them from the steamer into a pudding dish, add enough water to almost cover them, and a cup of sugar to every quart of pears. Set them in the oven and let them remain from twenty to thirty minutes. Quinces are also nice served in this way only they should be peeled and cut in halves.

BALTIMORE BISCUIT.—Measure one quart of sifted flour; leave out one tumblerful. Mix in one large tablespoonful of butter (level) one teaspoonful of salt; wet with tepid milk soft enough to knead. Sprinkle the board with some of the reserved flour, work over the dough with the rest, rolling, beating with the rolling pin, and pulling it to pieces over and over till the surface is covered with blisters, when it is spread out on the board. After the dough is well kneaded, it is better to keep it in a very cool place for a while—over night will not hurt—and then cut out the biscuit, made the size and thickness of butter crackers. Have the pan greased and hot before putting them in. Bake in a good, hot oven.

WHAT WAILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "gone-ness," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

Dr. Pierce's Golden Medical Discovery

CURES ALL HUMORS, from a common Blotch, or Eruption, to the worst Scrofula. Salt-rheum, Fever-sores, Scaly or Rough Skin, in short, all diseases caused by bad blood are conquered by this powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetters, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Gout, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE." Thoroughly cleanse it by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

CONSUMPTION, which is Scrofula of the Lungs, is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvelous power over this terribly fatal disease, when first offering this world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for Consumption, but for all Chronic Diseases of the

Liver, Blood, and Lungs. For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy. Sold by Druggists, at \$1.00, or Six Bottles for \$5.00.
