

Catholic News.

There will be ten priests ordained for the diocese of Detroit, about Pentecost Sunday.

News comes from Dunedin, New Zealand, to the effect that Bishop Moran is dying.

The German Catholics of the United States will hold their annual congress next September at St. Louis.

Father Kolly, of Lapeer, Mich., has begun work on the new church about to be built in Imlay city, a mission of Lapeer.

M. Vigoureux, the distinguished Professor of St. Sulpice, and M. LeCamus, author of the "Vie de Jesus" and "L'Euvre des Apotres," have embarked at Brindisi for Egypt and Palestine in order to pursue their archaeological researches in connection with primitive Christianity. The Pope, prior to their departure, received the two travelers in special audience, and blessed them and their labors.

The first convention of the Catholic Women Foresters was held in Chicago two weeks ago. One hundred delegates representing sixteen courts and 1,000 members were present. The convention was opened with a special service at the Holy Name Cathedral. After the Mass the business session of the convention was opened at the Palmer House.

"Six days shalt thou labor," says the great lawgiver. To do good work, man must be at his best. This condition is attained by the use of Ayer's Sarsaparilla. It overcomes that tired feeling, quickens the appetite, improves digestion, and makes the weak strong.

There is no room left for the idle. There are certainly no rewards to them. Society expects all, great and small, to do their duty; and its revenge is very swift when its claims are neglected or its expectations disappointed.

For Over Fifty Years

Mrs. Winslow's Sorefoot Suffer has been used by mothers for their children while teething. It soothes the child, softens the gums, allays all pain, cures wind colic, regulates the stomach and bowels, and is the best remedy for Diarrhea. Twenty-five cents a bottle. Sold by all druggists throughout the world. Be sure and ask for Mrs. Winslow's Sorefoot Suffer.

The experience of all past ages evinces that all worldly gratifications are fallacious; they promise more than they perform; the pursuit of them is deeply mixed with anxiety; their enjoyment yields no true satisfaction, and vexations and disappointments follow.

SORE FEET—Mrs. E. J. Neill, New Armagh P. Q., writes: "For nearly six months I was troubled with burning aches and pains in my feet to such an extent that I could not sleep at night, and as my feet were badly swollen I could not wear my boots for weeks. At last I got a bottle of Dr. Thomas' Electric Oil and resolved to try it, and to my astonishment I got almost instant relief, and the one bottle accomplished a perfect cure."

One's life is the touchstone of profession; and the profession of this sentiment, though it may have been on the tongue of all the impostors and all the scoffers of the world, will ever be worthy of admiration, when preceded and followed by a life of disinterested self-sacrifice.—*Manzoni*.

A BAD WRECK

—of the constitution may follow in the track of a disordered system, due to impure blood or inactive liver. Don't run the risk! The proprietors of Dr. Pierce's Golden Medical Discovery take all the chances. They make a straightforward offer to return your money if their remedy fails to benefit or cure in all disorders and affections due to impure blood or inactive liver. The germs of disease circulate through the blood; the liver is the filter which permits the germs to enter or not. The liver active, and the blood pure, and you escape disease.

When you're run down, debilitated, weak, and your weight below a healthy standard, you regain health, strength, and wholesome flesh, by using the "Discovery." It builds up the body faster than nauseating Cod liver oils or emulsions.

THE MAKERS of Dr. Sage's Catarrh Remedy will pay you \$500 if they can't give you a complete and permanent cure.
