- ALFRED S. OLIVER, M.D. Institutes of Medicine and Sanitary Science.
- KENNETH N. FENWICK, M.A., M.D. M.R.C.S. England. Practical Anatomy.

The next winter Session begins on the 1st Wednesday of October, 1876. Students attending this College may obtain either the degree of M.D., or the Licence of the College. Certificates of attendance are recognized by the London and Edinburgh Colleges. The College building, which is being newly fitted up, is commodious and convenient. Unequalled facilities are presented for the study of Practical Anatomy, and great advantages are afforded for Clinical instruction at the General Hospital, and Hotel Dieu. Further information can be had on application to the Registrar.

FIFE FOWLER, M.D., L.R.C.S. Edin.

\* Students attending the Botanical class can also without additional attend Lectures on Zoology.
