

Dikes Elixir Gives Results

In the greatest percentage of cases of disordered digestion of difficult diagnosis.

Cushny's careful analysis shows that the pepsin content of the stomach is deficient only in very rare cases.

That's why we give so much more prominence to the Pancreatin and Diastase.

That is the reason of its greater success in difficult cases.

Read the formula again and note the large proportion of Pancreatin present.

PEPSIN DIKES	4 GRAINS
PUREST PANCREATIN	8 GRAINS
DIASTASE, STEARNS	1-4 GRAIN
TO EACH FLUID OUNCE.	

*Sold by all Druggists at 75c a pound ; or
\$3.00 a winchester.*
