

month in the subject matter of the Magazine, and that the life of the Church not only here but throughout the Diocese and even Canada, may pulsate with fresh power and renewed vigor in this time of reduction of the grants and ready help at one time given by the Church at home. The Societies in England think that we have passed the age of childhood when help was needed. It is for the members of the Church in Canada and the North West to act upon this principle and give assurance that we can, if we like, walk alone. Will we do it? It is a test that will try like a refiner's fire.

INNISFAIL MISSION.—The Rev. Canon Newton, Ph. D., of the Hermitage, Edmonton, who has been for the past twenty-five years in the position of S. P. G. missionary in the northern part of the diocese, has been staying for a few days with the priest-in-charge. On Sunday evening, August 20, he preached in St. Mark's, to a congregation which was fairly good, in spite of the unpropitious weather. Canon Newton returns to England in connection with his retiring allowance, and has the good wishes and sympathy of the community with which so much of his life work has been connected.

The services at Penhold school house, which have recently been revived, are being well attended and this point promises to be an important one.

Marriage: Gerald Gascoigne Fuller, of Horse Shoe Lake, to Bertha E. Smith, of Innisfail, at St. Mark's, on August 15th.

Rev. W. Freemantle Webb has returned to the Diocese. He will spend the last two Sundays in August in the proposed new mission of Leduc with its outlying stations. It is hoped arrangements may soon be made for a resident clergyman.

Rev. W. B. Magnan has arrived with his family at Banff, and begun his duties there.

The following is the resolution relating to the Calgary Bishopric Endowment Fund, which was unanimously adopted by the Provincial Synod:

"Whereas, the Synod of the Diocese of Saskatchewan has most unselfishly agreed to transfer £3,240 from the Saskatchewan Bishopric Endowment Fund to the Endowment of the Bishopric of Calgary, the transfer to be made as soon as the Calgary Bishopric Endowment Fund has secured the sum of £8,700 from other sources, making a total of £12,000 for that Fund, and leaving £12,000 to the Saskatchewan Bishopric Endowment Fund; and whereas, the sum of £2,750 is still needed for the completion of the Calgary Bishopric Endowment Fund: therefore, resolved, that the Provincial Synod earnestly presses on all who feel an interest in the establishment and progress of the Church in the North West of Canada, the urgency of the accomplishment of this object, and this Synod is of opinion that an earnest effort should immediately be made to complete the Endowment for the Bishopric of Calgary, and would express the hope that the Bishop of Saskatchewan and Calgary may see his way to visit England this autumn for that purpose."
