### LARGE FRAME HOUSE

On Centre Island, Toronto. Plans and specifications to be seen and all information to be had at the office of the architect.

A. R. DENISON,  
20 King Street West.

Lowest or any tender not necessarily accepted.

## Notice to Artists and Designers

The undersigned has been instructed by the Board of Directors of the

King Edward Hotel, Toronto,

to receive colored designs for a "Coat of Arms and Crest" to be embodied in one design and emblematic of the name of the hotel, and to be of such a character of design that it can be used for decorative purposes, either in part or whole.

The Board offers the following premiums:  
\$500 to be paid to the author of the first selected design.

\$300 to be paid to the author of the second selected design.

\$200 to be paid to the author of the third selected design.

The Board will appoint experts whose decision will be final, the designs selected to be the property of the Hotel Board.

Competitors are requested to submit their designs on mounted sheets, size 24" by 24". Design must be delivered under a motto representing the author, on or before the 27th DAY OF FEBRUARY, 1902. Any further information can be obtained at the office of the undersigned.

E. J. LENNOX,  
Architect.

JOHN GALT, C.E. and M.E.,  
Consulting Chief Engineer,  
Toronto, Ont.

## CONTRACTS OPEN.

SUNDRIDGE, ONT. — Improvements will be made to the veneer and box factory in the spring.

CALGARY, N.W.T.—It is understood that the Salvation Army contemplate building a fine barracks here.

WOLSELEY, N.W.T.—The farmers have decided to form a company to erect a grain elevator of 35,000 bushels capacity.

BLYTH, ONT. — Bainton Bros., whose tannery was burned, have purchased a site and will build a new tannery.

WINDSOR, ONT.—The plans prepared for the proposed library building call for a two storey brick structure, with basement.

WHITBY, ONT.—Bids are invited by John E. Farewell, county clerk, up to Friday, January 31st, for the purchase of \$16,000 debentures.

KINGSTON, ONT.—The students of Queen's University have already subscribed \$12,000 towards the erection of the proposed Grant hall.

TWEEDSIDE, N. B.—James Swan and Alex. Sawn are about to erect a steam saw mill here for the manufacture of lumber and excelsior.

WEBBWOOD, ONT.—The council will send a deputation to Toronto to ask the provincial government for a bridge across the Spanish river.

GLACE BAY, N. S.—The property known as the McPherson corner has been leased by S. Fried, who will erect two large buildings thereon.

PELLE ISLAND, ONT.—A by-law was carried here authorizing the corporation to bonus a steamship service to ply between here and the mainland.

PARIS, ONT. — T. McCosh, town clerk, invites tenders up to noon of Monday, January 27th, for the purchase of \$7,000 local improvement debentures.

ST. JOHN, N.B.—The New Brunswick Coal & Railway Co. have not yet let the contract for extension of their road to Fredericton.

HULL, QUE.—The Oblat Fathers have decided to erect a stone gateway at the entrance to the Catholic cemetery, to be 24 feet high, cost \$1,000.

GODERICH, ONT.—A scheme has been mooted to build a breakwater outside the harbor for the purpose of sheltering vessels seeking entrance.

MONCTON, N. B.—Plans are being prepared by a Toronto engineer for a steam plant and other improvements for the Intercolonial Railway here.

BROCKVILLE, ONT.—Commissioner Menish has been appointed to arrange for the repairing and retubing of two boilers in the electric light power house.

ST. GEORGE, N.B.—A syndicate of American capitalists has make an offer for the purchase of the Dewar lumber property for the purpose of establishing pulp mills thereon.

THOROLD, ONT.—Messrs. Patterson & Davidge are rapidly completing arrangements for the erection of a paper mill in connection with the Thorold Pulp Co.'s plant.

BELLEVILLE, ONT. — Gilbert Parker, M. P., has offered to build a new library building on condition that the corporation will take it over and make it a free institution.

FORT WILLIAM, ONT.—The Mayor has drawn the attention of the council to the necessity of constructing a waterworks system and further extending the sewerage system.

OWEN SOUND, ONT.—The plans are being prepared for altering and enlarging the Balmy Beach auditorium and for the installation of an electric plant for lighting the hotel and cottages.

ASHBURNHAM, ONT.—R. B. Rogers, in a paper read before the Ashburnham Civic Association, calls attention to the necessity of constructing sewerage and waterworks systems.

HALIFAX, N.S.—It is the intention of the Halifax Tram Co. to make extensive improvements to the lighting department of their plant. It is also probable that another battery of boilers will be installed.

WENTWORTH, N.S.—C. A. Meserve, manager of the Boston & Nova Scotia Wood Pulp Co., is in consultation with New York capitalists regarding the question of starting work on the building of the pulp mill.

LONDON, ONT.—H. C. McBride, architect, is calling for tenders for alterations to two stores on Dundas street for J. C. Wood.—Work will shortly be commenced on the new warehouse on Richmond street for the Frost & Wood Company; estimated cost, \$5,000.
