Peelee Island Wine Co.

Peelee Island is situated in Lake Erie, and is the most southern point of Canada, except a small island forty acres, which lies two miles farther south. Peelee Island contains ten thousand acres, and its fine mild climate produces perfectly ripened grapes, from which very fine wines are manufactured. The first vineyard was started on Peelee Island in 1866, and with this the well-known wine firm, J. S. Hamilton & Co., of Brantford, have been connected for eighteen years. The vineyards of the Peelee Island have rapidly increased, and in 1887 the Peelee Island Wine Company was chartered. They erected a fine three storey stone wine house on Peelee Island, which, with its two towers, makes a fine appearance from the lake. Capt. J. S. Hamilton was elected president of the company, a position which he still holds, and J. S. Hamilton & Co., of Brantford, were appointed sole agents for the sale of their wines. The wines of the company comprise Dry and Sweet Catawba, Isabella, I. Claret, Delaware, P. I. Port, P. I. Alecante, and the celebrated Communion and Invalide wine "St. Augustine." This brand to prevent fraud has been registered at Ottawa, and infringements will be prosecuted. Only matured and pure wines are shipped. Catalogues on application to
