The Up-to-Date Primer

For Little Political Economists

BY J. W. BENGOUGH.

This graphic, easy-to-be-understood book is now ready. The author, whose fame as a caricaturist and humorist is widespread throughout Canada and the United States, has introduced something new in the way of book-making which will carry laughter and instruction wherever this new book goes. It is composed of words of one syllable, with pictures, and is designed for use in schools, colleges, universities, and other seats of learning. It is the book for use of all Single-Tax Clubs. It is an amusing travesty on the child's primer in use in public schools. It contains 70 lessons, illustrated with as many cleverly conceived cartoons, and there are spelling exercises at the head of each lesson. The series presents a complete exposition of the theory taught in the works of Henry George; notably, a very clear conception of the idea promulgated in his "Progress and Poverty," a book which many fail to clearly understand. No intelligent person can read this primer and not thoroughly understand the whole matter. No one who desires to possess or to impart intelligence upon this phase of economic reform should fail to use this book.

The Up-to-Date Primer is printed in large type, 75 pp., bound in limp cloth. Price, per copy, 25 cents; one dozen, \$2.50; 50 copies, \$9.00; 100 copies, \$16.00; post free.

The Educational Journal Teachers' Bureau

IMPORTANT NOTICE! BE SURE TO READ IT!

HAVING at length surmounted the initial difficulties connected with the organization of our proposed Agency or Bureau for the mutual benefit of School Boards, Principals, and all others requiring Teachers of any grade, on the one hand, and of Teachers of all classes seeking situations, on the other, we now respectfully invite Boards of Public and High Schools, Governors, Principals, and Managers of Colleges and Private and Proprietary Schools, and all others who are responsible for the choice and appointment of Teachers of any grade, to communicate with us, at the earliest possible date, giving us full particulars with respect to any vacant positions, their duties, the qualifications needed, salary offered, etc.

The cost to the Boards, etc., thus furnishing us with information will be nothing, and we hope to be able in very many cases to render valuable service, by putting them in communication with the most eligible applicants. We shall spare no pains in obtaining the fullest and most reliable information in our power in regard to the characters, qualifications, previous records, and so forth, of all applicants, and will in our own interests, as well as in that of all other parties concerned, use our very best care and judgment in making recommendations.

We also respectfully invite Teachers of all grades, from Public School to University, who may be seeking situations, whether they are for the time being unemployed, or are desirous of bettering present situations, to communicate with us.

If further information is desired, write to the address given below, enclosing a one-cent stamp, and by return mail will be sent you circulars containing full information on all points connected with the operations of the Bureau. Address,
