

PARAGRAPHIC.

TO CURE A CORN.

There is no lack of so-called cures for the common ailment known as corns. The vegetable, animal, and mineral kingdoms have been ransacked for cures. It is a simple matter to remove corns without pain, for if you will go to any druggist or medicine dealer and buy a bottle of Putnam's Painless Corn Extractor and apply it as directed the thing is done. Get 'Putnam's,' and no other.

It's all very well to talk about mind reading, but the thing that should be encouraged is newspaper reading.

No family in this broad land should undertake to keep house without *Johnston's Anodyne Liniment*, many have tried to but failed. It is worth more to a family than a whole medicine chest.

Prof. Baird says fishes can live to be 150 years old. We don't doubt this in the least. They are always the largest fishes too. That is the kind that always breaks away from the hook at the very last moment.

SCOTT'S EMULSION OF PURE COD LIVER OIL WITH HYPOPHOSPHITES.

For Children and Pulmonary Troubles.

Dr. W. S. Hoy, Point Pleasant, W. Virginia, says: I have made a thorough test with Scott's Emulsion in Pulmonary Troubles and General Debility, and have been astonished at the good results; for children with Rickets or Marasmus it is unequalled." Put up in 50c. and \$1 size.

WANTED TO TRY IT.—Granger—"Got all the modern improvements in this here tavern, I s'pose, stranger?" Clerk—"Certainly, sir; what can I order for you?" Granger—"Waal, young man, since you're so perlite, you might send up one o' them Turkish baths to m' room."

The most contemptible fraud that has been practiced upon farmers and others in the last few years is the selling of immense packs of worthless horse and cattle powders. There is only one kind now known in this country that are unadulterated and those are Sheridan's.

A countryman who was camping with his wagon and team in the suburbs of Austin, missed one of his horses. "Why don't you apply to the police?" suggested a city friend. "Do you think they stole him was the innocent response."

People who don't want to keep rheumatism, neuralgia, erysipelas, lumbago, toothache, hoarseness, earache, croup, inflammation of the lungs or bowels, colic, or cramps, should keep Minard's Liniment constantly in the house, and use it freely, internally, and externally.

Time and labor saved by the use of Pyle's Pearline. Sold by grocers everywhere, but be sure you are not imposed on by the vile imitations in the market.
