The cheapest INSURANCE COMPANY in this City is undoubtedly THE MUTUAL INSURANCE COMPANY. The rates of Insurance are generally half less than those of other Companies with all de-sirable security to parties insured. The sole object of this Company is to bring down the Cost of Insurance on properties to the lowest rates possible, for the interest of the whole community. The citizens should therefore encourage liberally this flourishing Company.

FLORIDA WATER.

The most exquisite a quarter of a centuand delightful of all perfumes contains in its signest degree of excellence the ar-with water, the very N H best dentrifice, imparting to the teeth N K that clear, pearly appearance, which all I hades so much design. As a remedy impure matter around the teeth and in and making gums, and making he latter hard, and of a beautiful color. With the very elite

ry, maintained its ascendency over all other Perfumes, throughout the W. Indies, Mexico, Central and South America, &c., &c.; and we confidently re-commend it as an article which, for soft delicacy of fiavor, richness of bouquet, and permanen-cy, has no equal. It will also remove from the skin roughness, Blotches, Sunburn, Freckles, and Pimples. It should always be reduced with pure water, before applying, except for Pimples .-As a means of imparting resiness and Clearness to a sallow complexion, it is without a rival. Of course this refers only to the Florida Water of Murray & Lanman.

BRISTOL'S

SUGAR-COATED PILLS

Purely Vegetable.

The need of a safe and perfectly reliable purgative medicine has long been felt by the public, and it is a source of great satisfaction to us that we can, with confidence, recommend our BRISTOL'S SUGAR-COATED PILLS, as combining all the essentials of a safe, thorough and agreeable family cathartie. They are prepared from the very finest quality of medicinal roots, herbs, and plants, the active principles or parts that contain the medicinal value being chemically separated from the inert and useless chemically separated from the inert and useless fibrous portions that contain no virtue whatever. Among those medicinal agents we may name PODOPHYLLIN, which has proved to possess a most wonderful power over the Liver, and all the billous secretions. This, in combination with LEPTANDRIN and other highly valuable vegetable extracts and drugs, constitutes a purgative Pill that is greatly superior to any medicine of the kind heretofore offered to the public. BRISTOL'S VEGE-TABLE SUGAR-COATED PILLS will be found a safe and speedy remedy in all such cases as Piles,

Headache, Jaundice, Bad Breath, Foul Stomach. Loss of Appetite, Liver Complaint, Habitual Costiveness, Dyspensia or Indigestion, Heartburn and Flatulency, Dropsy of Limbs or Body, Female Irregularities. And all diseases of the Stomach, Liver, Bowels and Kidneys.

In diseases which have their origin in the blood BRISTOL'S SARSAPARILLA—that best of blood purifiers—should be used with the Pills; the two medicines being prepared expressly to act in harmony together. When this is done faithfully, we have no hesitation in saying that great relief, and in most cases a cure, can be guaranteed when the patient is not already beyond human help.
