Cuticura Soap
FOR BAD COMPLEXIONS, RED ROUGH HANDS AND BABY HUMORS.

BAD COMPLEXIONS, WITH PIMPLY, blotchy, oily skin, Red, Rough Hands, with chaps, painful finger ends and shapeless nails, and simple Baby Humors prevented and cured by CUTICURA SOAP. A marvellous beautifier of world-wide celebrity, it is incomparable as a Skin Purifying Soap, unequalled for the Toilet and without a rival for the Nursery.

Absolutely pure, delicately medicated, exquisitely perfumed, CUTICURA SOAP produces the whitest, clearest skin, and softest hands, and prevents inflammation and clogging of the pores, the cause of pimples, blackheads, and most complexional disfigurements, while it admits of no comparison with other skin soaps, and rivals in delicacy the most noted of toilet and nursery soaps. Sales greater than the combined sales of all other skin soaps. Price, 35c. Send for "How to Cure Skin Diseases." Address POTTER DRUG AND CHEMICAL CORP. AT ON, Proprietors, Boston, Mass.

Aching sides and back, weak kidneys, and rheumatism relieved in one minute by the CUTICURA ANTI-PAIN PLASTER. 30c. 4

"This magazine is scholarly without being dull, and popular without becoming sensational. It always gives material of substantial value and it is edited with conspicuous ability."—The Congregationalist, Boston.

"Each successive issue demonstrates its value to all interested in the history of our country."—Capital Courier, Lincoln, Neb.

"It stands at the very front of the best class of periodical literature in America."—Educational Gazette.

Magazine of American History

A BRIDE'S CONFESSION

"Yes, dear, I am married now, and George and I are keeping house in the loveliest flat on 64th St. Well, yes, we did get married some-what suddenly. My health, you know, had for some time been very delicate, and Dr. Heavy-fee told mamma that he feared I would follow poor, dear sister Belle, who died three years ago from a wasting disease.

Dear George was almost what the doctor said, and I nearly cried my eyes out, but one day I overheard that 'hateful Nelly Parker' say to her mother, 'I think that George Blauvelt is just too lovely for anything, and when the girl he's engaged to dies, and they say she is dying of a galloping consumption, I'm going to step into her shoes and become Mrs. George Blauvelt; now just you wait and see.' This spring I noticed George seemed to be almost resigned to the idea that we should never be married, and the thought that that detestable hussy might get him after all nearly drove me crazy. One day I read the testimony of Lawyers Howe and Hummel as to the wonderful invigorating effect of DR. CAMPBELL'S ABSINTH WAFERS, and I resolved to try what they would do for me. I commenced their use on the 4th of July. George had just sailed for Europe on business for his firm. On Sept. 18 he returned. I was, from the use of the Wafers, by that time again a well woman, and so unprepared was he with my healthy and robust appearance, so that he insisted we get married the very next day. I could not say him nay, and, as you will see by my card, I am now Mrs. George Blauvelt. Do call soon and let me introduce George to you; I am sure you will like him, he is so handsome, and as good as he is handsome. Good-by; be sure not to forget."

THE DEY OF ALGIERS!
The SHAH OF PERSIA and the SULTANS of TURKEY and MOROCCO now FATEEN and BEAUTIFY their harems exclusively on DR. CAMPBELL'S ABSINTH COMPLEXION WAFERS. So great is the demand for these marvellous Wafers that their manufacture is continued day and night.

"The Shah found his harem in a state of disorder on his return to Persia."—N. Y. West. Oct. 12, 1888. Reason—Their supply of CAMPBELL'S WAFERS was exhausted!

ILLUSTRATIVE of the desirability of a certain amount of Pimples, cancer has it that the above distinguished Oriental Potentates make it a practice to WASH their wives regularly once a month, precedence in rank and imperial favour being accorded to the wife possessed of the greatest number of pounds avoirdupois.

TYPHOID FEVER. Its Cause and Prevention.

"During typhoid Bacteria is found in the blood and mucous tissues, come by inhalation. Impure water contains animalcules. These animalcules develop in the system, feed on the fluids and vitals, causing disease, fevers, etc., and quickly destroy the patient. Flood the arteries with St. Leon Water.

Says Sir Henry Thompson:—"No animalcule or germinal matter can live if this rare mineral water is used."

Popular Hygiene adds:—"In cases of typhoid fever let us have recourse to St. Leon. This water is doubly salutary to keep down and remove putridness."
