We are showing a splendid range of Men's Suits at this price—something better and different from the ordinary run of clothing. They have a distinctive character that is not seen in the ordinary ready-made suits. They are made from exclusive fabrics, colourings and designs; they are tailored to fit and to retain their shape. You can choose from a good selection of patterns and models for all types of men. The values are exceptional, and you can save a good few dollars by buying your Suits here.
