

# Can we buy Furs

cheaper than any one else on P. E. Island?

Why, of course we can!

**1st**—Because we do, and can prove we do buy twice as many furs as any other firm on the Island.

**2nd**—We sell more furs in our Charlottetown store than anyone else in P. E. Island.

**3rd**—We sell as many more in our Sydney store.

**4th**—And we sell as many more in the suburban store.

**5th**—These three stores buy all together more than double the quantity sold by the biggest fur store in P. E. Island.

Don't you want to talk to us on furs this fall? we have a bigger, brighter and better stock than ever.
