

10

THE decimal system will soon be in universal use. We adopted it long ago. Hence you will have no difficulty in remembering that our fees are \$10; that our intramural course lasts 10 weeks; that the ticket for our extramural course (by mail) is good for 10 months; that we spent 10 years in formulating the **DeBrisay Analytical Method**, and that we are 10 times 10 years ahead of all other schools in the teaching of languages.

Send for free circular and obtain further information regarding the most remarkable system of teaching languages ever devised.
