

I

*The Deputy Prime Minister and Minister of Finance of Canada to the Secretary
of the Treasury of the United States of America*

Washington, September 26, 1980

Sir:

I have the honour to refer to the Convention between Canada and the United States of America with Respect to Taxes on Income and on Capital, signed today, and to confirm certain understandings reached between the two Governments with respect to the Convention.

1. In French, the term "société" also means a "corporation" within the meaning of Canadian law.

2. The competent authorities of each of the Contracting States shall review the procedures and requirements for an organization of the other Contracting State to establish its status as a religious, scientific, literary, educational or charitable organization entitled to exemption under paragraph 1 of Article XXI (Exempt Organizations), or as an eligible recipient of the charitable contributions or gifts referred to in paragraphs 5 and 6 of Article XXI, with a view to avoiding duplicate application by such organizations to the administering agencies of both Contracting States. If a Contracting State determines that the other Contracting State maintains procedures to determine such status and rules for qualification that are compatible with such procedures and rules of the first-mentioned Contracting State, it is contemplated that such first-mentioned Contracting State shall accept the certification of the administering agency of the other Contracting State as to such status for the purpose of making the necessary determinations under paragraphs 1, 5 and 6 of Article XXI.

It is further agreed that the term "family", as used in paragraphs 5 and 6 of Article XXI, means an individual's brothers and sisters (whether by whole or half-blood, or by adoption), spouse, ancestors, lineal descendants and adopted descendants.
