### 3. Key Opportunities

Based on Canada's strengths, the key opportunities over the next 3 years appear to be with regard to:

1. trade liberalization (with a Canadian slant - alternative strategies. Lessons from NAFTA?)
2. civil society in decision making fora
3. indigenous peoples issues, including ratifying convention, race relations
4. processes and mechanisms to develop trust and broaden the decision making agenda to be more inclusive and holistic in scope
5. human rights and governance (democratic institutions, judicial reform)
6. urban development and infrastructure
