

THE HEAD OFFICE OF THE  
SUN LIFE ASSURANCE COMPANY OF CANADA  
MONTREAL

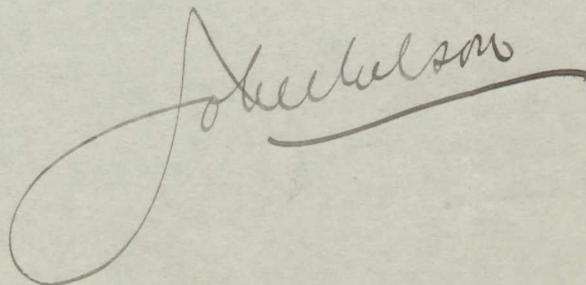

March 5th, 1928.

Sir Arthur Currie,  
Principal,  
McGill University,  
Montreal, Que.

Dear Sir Arthur:

The consensus of opinion among the members of the Committee to which was referred the selection of the Canadian member of Dr. Shotwell's Research Committee, is that he should be selected from an Eastern city. The names of Professor Corbett of McGill University, and Professor MacKenzie of Toronto University, have been mentioned by several in this connection and it has been suggested by one member of this committee that both should be asked if they would be willing to serve in that capacity if selected by the Committee. I have accordingly written a letter to each, of which the attached is a copy.

Yours very truly,
