June Shipment of Manitoba Wheat.

MONTREAL, Feb. 26.—Business in grain over the cable today was quiet owing to the limited demand from foreign buyers, and only sales of a few odd loads of No. 2 northern Manitoba spring wheat were made to London for May shipment at 61s 8d. There was a fair demand for ocean grain room for May-June shipment, and further engagements were made at 7s. A feature of the coarse grain market was the weaker feeling in oats, and prices scored another decline of 1-20 to 1c per bushel, with only a fair demand for carlots. There continues to be a good demand for American corn and sales of a number of carlots were made for shipment from Chicago. The trade in flour is quiet and prices are unchanged.
