Mills, Mathemaco, Scower String Filoge; Lizzle Mathemata ar It is to be hoped that the sweet po-tato flour which is made by means of a St. Louis woman's invention will soon be on the market. Doctors are discovering just now that wheat and corn bread and all cereals are very bad for the human stomach. They stuff us up with starch and mineral salts and make our muscles grow old and stiff, so the ex-perts say. Likewise yeast fermentation is very harmful, we are told. If sweet

potato bread will do any better by us, then we ought to have it.

It gives me pleasure to record that the first woman to register and vote in her ward in New Haven under the new Connecticut school law was the wife of a newspaper editor. Her name is Mrs. Abby B. Sheldon.

Mrs. Josephine Butler, in an inter-view printed in the English paper called Young Woman, gives this as her The word to girls: "The one thing I feel is their lack of dignity. The sense of their own worth should be impressed upon girls in all ranks of life. They are too cheap. | They are made cheap, and they allow themselves to become cheap. They ought to remember that they are queens. born, and that they must comport them-

selves as such."
