

The Philadelphia Medical Journal

1420 CHESTNUT ST., PHILADELPHIA

A WEEKLY JOURNAL

WITH A MINIMUM CIRCULATION OF
10,000 COPIES

\$3.00 PER ANNUM

This, one of the largest of American Weekly Medical Journals, contains more literature of value to practitioners than others, and at about one-half the usual price.

Short, crisp editorials.

All the very latest literature of the world abstracted and classified.

Original articles from the leaders of American Medicine.

Secret pharmaceutical preparations are not advertised.
