

## EXITS AND ENTRANCES.

Ward and Vokes are giving a delightful performance at the Grand this week, and for an Exhibition attraction it would be hard to beat. The company is undoubtedly one of the best of the kind that Toronto has had in a long time and is pleasing its audiences. The specialties are unusually good, and the songs new. Margaret Daly Vokes and John Keefe's duet, "The Baby on the Shore," making a big hit. The company is to remain here next week, so that visitors to the city should seize the opportunity of witnessing this clever performance. There will be a matinee to-day.

**A Strong Attraction for Fair Week.**  
Manager Small made it a point to have something good for the big week of the Fair, and, commencing with a special holiday matinee on Monday, Labor Day, the stage of the Toronto Opera House will be utilized for the presentation of an enterprising and successful play. The play selected to be the feature is "Who is Who," an American public, namely, "Who is Who," as given by Comedians Kelly and Mason, of whom The New York Journal says: "Who is Who" is something to enthuse

over. Kelly and Mason, who present it, are to be congratulated, and the Star Theatre for the remainder of this week should receive all the patronage that has been waiting for something new, clever and above suspicion in stage humor. "Who is Who" is as clever and true as a white duck skirt just from the laundry—not a trace of farce, and it is funny, and in a new way. Specialties check and dot it here and there, but none are tiresome. In addition to the extra matinee on Labor Day, after-noon performances will be given as usual on Tuesday, Thursday and Saturday.

**At the Princess.**  
The Princess Theatre is attracting large crowds every afternoon and evening, and the company are to be congratulated upon giving the best performance of "Land Ever Seen in Toronto," and this at remarkably reasonable prices of admission. On next Monday, beginning with the matinee, "Monte Cristo" will be given, an elaborate production. "Monte Cristo" at popular prices will undoubtedly crowd the Princess at every performance next week. "Monte Cristo" is to be presented with new and correct scenery throughout, and will be handsomely costumed, while Mr. E. L. Dunne, Robert Lowe and Henry Huron will make their first appearance with the company. Mr. Ralph Stuart will appear as Dante, James O'Neill's famous character, in which Mr. Stuart should present himself to splendid advantage, having been compared very favorably to Mr. O'Neill in the role. Miss Florence Stone will appear as Mercedes. Mr. Robert Cummings as De Villerois, Mr. Thomas J. Grady as Coderre, and Miss Nettie Marshall as the Dangers. The entire strength of the company will fill out the balance of the cast. Matinees are given every afternoon at 2.15.

**At Milligan's Theatre.**  
In Temperance Hall last night R. L. Milligan's company presented a new comedy drama, "Uncle Joshua," before a rather small audience. The play was well presented, and, no doubt, will prove a strong drawing card during the Exhibition. As the title denotes, the drama tells of a countryman's experience among society and visitors will be sure to attend. Two performances today. Popular prices will prevail.

**Diamonds.**  
Now we can all wear diamonds owing to the discovery of the Sayreita Kora Crystal. Mr. Powell Harvey, manager of the Diamond Palace, 181 Yonge-street, has given us the necessary information, so we can explain to the public the good qualities of the stones, which are within the reach of all. The genuine Sayreita Kora Crystal is a semi-precious stone, ranking next to the diamond in lustre, hardness and brilliancy. Technically it is a silicate of aluminum in which oxygen is partly replaced by fluorine. Like the diamond, it is very rich in carbon, and under a sufficient degree of heat and pressure results. The purest crystals when cut in facets so closely resemble the diamond in lustre and brilliancy that experts are often deceived.

Microscopically examined, it is found to have numerous fluid cavities, for which reason the crystals have been termed by the French jewellers, goutte d'eau, which translates means "drop of water."

The best stones are noted for their bluish white tinge, so much admired and sought for by connoisseurs in diamonds. "Fidelity and Innocence" is the sentiment expressed by the Sayreita Kora Crystal. The nearest approach to a diamond, "It has the fire." You can purchase these stones, beautifully and substantially mounted in rings, scarf pins, brooches, studs and earrings. From \$1 each up to \$25. In another part of this paper you will find the advertisement of the famous Diamond Palace, 181 Yonge-street, and you can safely order by mail any goods you desire if not convenient to visit the store.

**Labor Day Sermon.**  
At the Bond-street Congregational Church to-morrow Morgan Wood will preach two special sermons. In the morning at 10 o'clock he will speak to the Public School teachers and officers of the city appropriate to the opening of the city schools. In the evening at 7 o'clock he will deliver the annual sermon appropriate to Labor Day to the labor unions of the city on "The Relation of the Organized Church to Organized Labor."

**Van Every's Record-Breaker.**  
H. W. Van Every's excursions, advertised in another column, have broken all records, and there is no doubt but he will have large parties, and he richly deserves to have, as he has proved himself a friend to the travelling public.

**Knox College's new professor** will be installed next Monday, when the board meets.

*"Deas fragrant" "delicious", "perfect" and "best" are now plentiful as gold mines—but people only smile and say "Five as Blue Ribbon"*

## ANOTHER IMMENSE CROWD

Greeted T. Willmott Eckert at the Bell Piano Warehouses

Last Night.  
One of the greatest musicians who have ever visited Toronto is undoubtedly T. W. Eckert of New York. His exhibition on the Bell Piano Warehouses last night was truly wonderful, the giving of perfect imitations of no less than 16 different instruments on the one piano. His beautiful tenor voice captivated all those present when he sang, "Let Me Like a Soldier Fall," from the opera of Maritani. Miss Berg has a wonderfully sweet soprano voice and her singing was greatly admired. These popular recitals will be given every evening during the Exhibition at Bell Piano Warehouses, 70 King-street west, where everybody will be made welcome.

**A New Firm.**  
Long experience in the furniture trade has taught Messrs. Miller & Kent that the daily advertising of honest facts, and the daily selling of satisfactory furniture, at satisfactory prices, will tip the scale against all the fake bargains ever offered. With this end in view they have evoked their spacious new store, 231-233 Yonge-street, with a large and unrivalled assortment of modern furniture and upholstery goods. Everything of the latest style that is needed for the drawing room, dining room, bedroom, library, office or kitchen; the furniture and upholstery line, which they are offering at prices as low as possible for such high-grade goods. All citizens and visitors who are interested in handsome and reliable furniture should inspect Messrs. Miller & Kent's new stock.

**Busy Day on the Bay.**  
Yesterday was voted a record day for business at the wharves. The steamers from Niagara Falls were packed and also the Garden City from Oshawa and Bowmanville and the Modjeska from Hamilton. Had their usual big loads. Customs Officer Monroe said that he never before saw a busier day at the waterfront at this season of the year than was experienced yesterday. The Island also was visited by large numbers, and the ferry boats worked as if it was a holiday. Altogether the day was as a reciter one in the history of vessels.

**A MONTREAL LAD'S EXPERIENCE.**  
She Wants all Who Suffer from Backache, Swelling of the Limbs, Dizziness and Headache to know DOAN'S KIDNEY PILLS Are the Remedy.

Mrs. Catherine Burton, 23 Alexander-street, Montreal, Que., says: "I was very much troubled for years with pains across my back, over the kidneys, and headaches, dizziness and poor appetite also afflicted me. My limbs would swell up. There was a mist before my eyes, so much so that I could hardly see at times. I was in a miserable state of health generally, and so much so that I thought I was going to die. All the medicine I took, and they were not a few, failed to give me relief. The doctors also seemed unable to cure me. However, on trying Doan's Kidney Pills, relief came to me at once. I improved from the first few doses, and am now thankful to say that I am better than I have been for years. I eat well, sleep well, the swellings have disappeared, and I can state with great happiness that I feel splendid, thanks to the use of Doan's Kidney Pills."

Doan's Kidney Pills are sold by all druggists at 50c. a box, or three boxes for \$1.25. The Doan Kidney Pill Company, Toronto, Ont.

## PIANOS

If you contemplate a purchase of a Piano during the progress of the Exhibition let us emphasize our emphatic warning you to

**"TAKE CARE!"**  
Remember that a poor and inferior Piano often looks and sounds nearly as well (when new) as a superior instrument. The absence of the little delicacies of touch and tone cannot be detected upon a first trial by any but an expert.

Above all you cannot tell whether the Piano will last or not. These desiderata can only be secured by purchasing a Piano which enjoys a reputation earned by merit. We charge nothing for the reputation, but only for the quality.

Mason & Risch Pianos are the instruments of the cultured. Ours is the first stand on the left as you enter the Music Pavilion at the Exhibition. You will see there a magnificent assortment of Mason & Risch Pianos. In addition we are showing a Grand Piano by Chickering of Boston, "the oldest house in America and the best in the world." We also show a sample of our new small style Vocalion Organ, the most suitable instrument for a small church ever invented.
