supplies all of the elements of nutrition, properly proportioned by nature, for human health and strength. Most of our readers may know this and be interested in a recent report of the United States Government in which it is shown that sirloin of beef is only 35 per cent nutrition (the balance water and refuse). The same report shows wheat to contain over 90 per ent nutriment (the balance water). There

Teachers for the Six High Schools to be Named First of June.

Toronto, May 11.—The appointments for the agricultural, classes in the six high schools yet to be chosen, for which pro-

schools yet to be chosen, for which provision was made at the last legislative session, will be made by June 1. The teachers will be graduates of the Ontario Agricultural College, and will immediately start the organization of their classes and the preparing of the ground to be cultivated.

In addition to the original scheme of an agricultural branch to the high school work, the education department has decided to establish short winter courses for farmers commination.

The Government has also decided that the teachers shall open an official office in the towns in which the high schools where they teach are located, where they will meet the farmers after school hours, distribute Government erop bulletins and stock sales, assist the Farmers' Institutes in the district, and act generally as agents of the sprice transport of the serious transport of the sprice transport of the starch that have to be cooked, is hard to digest, unless it is transported to digest, unless it is very thoroughly chewed, on account of its high percentage of starch. The chewing mixes it with saliva to digest, unless it is transported to digest,

NO WOMAN CAN BE STRONG AND HEALTHY UNLESS THE KIDNEYS ARE WELL

When the kidneys are ill, the whole body is ill, for the poisons which the kidneys ought to filter out of the blood are left in the system. Then how important it must be to see to it that this system of sewerage be not clogged up. Those who have never been troubled with kidney trouble know not the misery and suffering which those afflict-

ed undergo. Doan's Kidney Pills are a specific for all kidney troubles. They begin by healing the delicate membranes of the kidneys and thus make their action re-

They help the kidneys to flush off the acrid and poisonous impurities which have collected, thus clearing out the kidneys, bladder and all the urinary passages.

Doan's Kidney Pills are entirely vegetable, and may be safely taken by young and old.

Let Doan's Kidney Pills do for you what they have done for thousands of others, that is, cure you. Mrs. John Young, Harwood, Ont., writes: "I was troubled with my kidneys for some time and my back was so lame I could scarcely get around. After using two boxes of Doan's Kidney Pills, I am completly cured. I find there is nothing

Doan's Kidney Pills are 50 cents per box agree in the statement that itw as the or 3 boxes for \$1.25 at all dealers or mailed

Many Investors

that we know and whom you know too, have been kept from investing in some of the best mines in Cobalt through the advice of some friend or adviser who "thought he knew," but didn't.

We know one investor in London Silver-Cobalt shares who was asked to subscribe \$65 in T. & H. B. stock, but didn't, and who has since gone into London Silver-Cobalt shares on the grounds that he wasn't going to be the same kind of fool twice! (That's his statement

His \$65 would have paid him \$9,000 in dividends, and could be sold today for \$20,000 or so.

Of course T. & H. B. is exceptional, but it's the exceptional-the unexpected, that happens,

Perhaps you think these London Silver-Cobalt shares may not do as well as some of these big cobalt successes.

Well, so they may not, but on the other hand THEY MAY, and if you turn them down won't you be sorry? There's one thing about them. Your loss can't be much at 25

cents per share, but there's unlimited scope for advances. Glad to hear from you. Wire or phone orders at our expense,
