Bad Spells With the Heart

Mrs. A. D. Cameron, Birch Brook, Pictou county, N.S., writes:—"For two or three years I was in a run-down condition, very nervous, lost strength, and was drowsy and sleepy. Then I began to have bad spells with the heart, and cold feelings would creep over me until I felt like death and as if I were sinking away. I would smother, and my hands would become stiff and cold, and windows and doors would be thrown open to bring me back to life. A year ago I read about Dr. Chase's Nerve Food and began its use, and can now say that I am practically cured. As I am still gaining strength I shall continue its use for a time. During my illness I had two different doctors, but as I could see little benefit I turned to Dr. Chase's Nerve Food, with great advantage. I will gladly answer anyone who wishes to hear direct from me."

Weak Heart—Palpitation

Mr. Stephen J. Leard, North Tryon, P.E.I., writes:—"At seventy-five years of age my heart gave out and became very irregular and weak in action and would palpitate. My nerves also became weak, and I could do nothing but lie in bed in a languishing condition, losing strength and weight. In that condition I began using Dr. Chase's Nerve Food, and am cured. Had I not obtained this treatment I would now be in the box with the roof over my nose. At eighty-one I have an energy which means go, and I am writing this letter so that old people like myself may prolong their health and strength by using this great medicine."

Blood Weak—Nerves Exhausted

Miss Elsie Bancroft, Longwood, Ont., writes:—"A year ago I was very much run down in health. The blood seemed to be weak and the nerves very much exhausted. Having heard of Dr. Chase's Nerve Food and of its success in curing cases similar to mine, I began to use it, and was very greatly benefited by continuation of this treatment. Two of my sisters also used this medicine, and found it to be a splendid means of building up the system."

"We have also used Dr. Chase's Syrup of Linseed and Turpentine with good results. One of my brothers had pneumonia twice, and we always use this medicine for him, as we find that it breaks up a cold the quickest and best of anything we can get."

Stomach Trouble—Fainting Spells

Mrs. A. A. Currie, ladies' tailress, Bideford, P.E.I., writes:—"I had stomach trouble and fainting spells, and the gas would form on my stomach, so that I would feel like smothering. Often I could not sleep at nights without being prepped up in bed, as I couldn't get a breath. For about five years I was like that, and consulted four doctors, without being benefited. By using Dr. Chase's Nerve Food and Kidney-Liver Pills I have obtained the greatest benefits imaginable. No medicine I ever took did me so much good, and I want to recommend them."

Chorea—St. Vitus Dance

Mrs. Geo. Chisholm, R.R. No. 1, Grafton, Ont., writes:—"I have used Dr. Chase's Nerve Food for my little girl for whom the doctors pronounced Chorea, a disease of the nerves. I consulted our family doctor, and he gave her a liquid medicine, but do what we would, we could not get her to swallow it. A neighbor advised the use of Dr. Chase's Nerve Food, and being in pill form, she took it without any trouble. She was about seven years old, and got pale and run down. The muscles of the face were affected, and she became a pitiful sight. She seemed to improve right along under this treatment, and was entirely cured by using six boxes. She is nine years old now, and you cannot find a larger, healthier-looking child for her age. I shall always be grateful for what Dr. Chase's Nerve Food has done for us, and I can recommend it to all nervous people. You are at liberty to use this letter, so that others may benefit."

Chronic Indigestion Cured

Mrs. Herbert Arbuckle, Deschene, Que., writes:—"I had a bad attack of Chronic Indigestion after the birth of my baby, and though I went to three doctors they all failed to cure me. I read about a lady being cured by Dr. Chase's Nerve Food and began its use. It was only a short time until the trouble was overcome, and I can eat anything I want now without ill effects. My weight now is 180 pounds, and I am writing this so other women may know of the Nerve Food and get well and strong."

Anaemia—Extreme Weakness

Mr. T. Hyndman, farmer, Rupert, Que., writes:—"I had been gradually falling in health for two years and tried many remedies. Among others I used Dr. Chase's Kidney-Liver Pills, and found them doing me good. Some neighbors told me the doctors said they were dangerous, so I quit their use and went to the doctor. Under his treatment I got so weak I was unable to raise my head from the pillow, and he told me that I had anaemia of the blood and could never be better again, so I sent for another doctor, and he told me the same. I could not take their medicine and was continually vomiting, so I gave them up and said, 'Kill or cure, I will again try Dr. Chase's medicine.'"

"I used altogether fourteen boxes of Dr. Chase's Nerve Food and six boxes of Dr. Chase's Kidney-Liver Pills, and now I can work from 6 o'clock in the morning until 7 at night, and I don't poke at it either. Any man that works a farm knows what kind of a job it is. I honestly believe that I owe my life to Dr. Chase's Nerve Food and Pills, and I praise them everywhere I go. Many of the people here use them to keep the system in good condition and prevent disease."

Dizzy Spells—Peculiar Feelings

Mrs. T. P. Cullen, Fairview Farm, Shepard, Alta., writes:—"My nervous system was so run down and exhausted that terrible dizzy spells would come over me, and I would have most peculiar feelings. Everything appeared as if it was falling on me, and caused me to jump after taking a few steps. While in this frightful nervous condition I heard of Dr. Chase's Nerve Food and began using it. This treatment built up my nervous system and completely cured me, and for this reason I am always glad to recommend it for the sake of those who suffer as I did."

Nerves Exhausted—Feared Future

Mrs. R. J. Billings, nurse, North Bay, Ont., writes:—"I am happy to be able to say that Dr. Chase's Nerve Food is fully worth all the praise given it. I have used Dr. Chase's Nerve Food for some time, and would not be without it in the house. I know that if it had not been for Dr. Chase's Nerve Food I would have been out of my mind. My nerves were so far gone that I had gloomy forebodings of the future, and feared the loss of reason. I feel fine now, and do not lose an opportunity of recommending this treatment to my patients."

Nervous Breakdown—Sleeplessness

Mr. R. B. Hillman, Purbrook, Muskoka, Ont., writes:—"About four years ago I was all run down and could not work, and as to writing a letter, I could not do it on account of my hand shaking so badly. My nerves were unstrung and I was troubled with a nervous breakdown. I could not sleep soundly and would start up so suddenly as to almost jump out of bed. My kidneys were bad, too, and I had awful pains in the back all day. I doctored with our family doctor, but he did not seem to know what I needed. I was recommended to try Dr. Chase's Nerve Food, and could sleep well three nights after starting the use of the Nerve Food and Kidney-Liver Pills. I take great pleasure in recommending these medicines, as I have proved that they do all that is claimed for them."
