Are Not Penalized.

(Canadian Associated Press Cable.) LONDON, Jan. 10.—Ottawa despatch-es lead The Sunday Observer to de-clare that Canada is determined to keep the door open for the mother

country. "Ottawa will respond to any overture from Canada's great neighbor upon condition the imperial interests

shall not be penalized. This is the strongest national statesmanship. The true destiny of Canada is to be the Past President Local 91, International great link between the empire and the United States and not to cause another more disastrous separation be-tween America and the rest of the British race."

nor Delayed Owing to Deadlock Between Senate and House.

believed the facts warranted action in

It was rumored at the capital to-day that the president had told a friend, who repeated the remark, that an ef-

fort was made by Senators Hale and Aldrich to suppress the facts about Senator Tillman. Undoubtedly this im-pression was gained at the White

House by a visit to the president by Mr. Hale, who suggested that the mat-

ter relating to Mr. Tillman should by withdrawn. It is said that the Maine

senator did not base the request on the ground that it was not properly a

reply to the demand for information about the secret service, but because

of the fact that Senator Tillman is in poor health and the churge wos liable

to rouse him to a nitch of excitement dangerous to his life.

draw the reference to Mr. Tillman, and

when Senator Hale would not make it public he decided to do so himself.

The condition of Senator Tiliman's health is serious. When he went to Europe last March he was in a highly nervous state. The trip resulted in a

marked improvement.but for some time

his friends have noticed that his ner-

vousness was returning. Close friends of the Democratic side of the senate
