KNOWLTON POST BANQUET

Thrilling Description of Battle of Gettysburg by a "Johnny Reb." There was a large attendance of U. S. Civil War Veterans, at the annual banquet of Knowlton Post Grand Army of the Republic, Col. Hughes was toastmaster, and a quartet sang "The Star Spangled Banner." Chief Ten Eyck and William Stewart had a narrow escape from serious injury while examining Mr. Stewart's grocery store at the corner of King and Pearl-streets after a fire. It lighted a match, and there was a big explosion of gas that had leaked from a main.

At the annual convention of the Hamilton Teachers' Institute to-day E. S. Hogarth said the present school systems took up too much time with "the things, rather than with the fundamental studies. It was agreed to hold the convention on Thursday and Friday in the future. H. V. Cann, manager of the local branch of the Bank of Nova Scotia, has been transferred to Toronto, and will be succeeded by B. Robertson. The Zeas has been appointed chief of the Regina police force, not of Winnipeg.

FROM AWAY OUT ON THE PRAIRIES

Domes Proof of Another Wonderful Cure by Dodd's Kidney Pills.

Mark Southern Tells How They Rained Him From a Bed of Sickness. Cured His Kidney Disease and Made Him a Well Man. SKIPTON, Duck Lake, Sask., Feb. 19.—(Special).—After thirteen years' suffering from Kidney Disease brought on by an accident, Mark Southern, of Heelaker Farm, near here, is a well man, and it is not slow to state that he owes his cure to Dodd's Kidney Pills. "It began with pains in my back," Mr. Southern says, "and across my loins, and of late years I became very weak and for days I had to keep to my bed. I had all kinds of advice and tried a great many medicines, but all to no purpose. "Reading an advertisement induced me to give Dodd's Kidney Pills a trial, and I wrote for six boxes. After taking the first box I began to feel better, and after using five boxes I felt quite well again. I am now able to get about my work and feel no effects whatever from the old complaint. "Dodd's Kidney Pills clean all Kidney Diseases that start with a pain from disordered Kidneys right out of the system. That's how they cure Bright's Disease, Diabetes, Dropsy, Rheumatism and Backache. They do it by putting the Kidneys in good working order and they always do it.

INDIAN LISTS BIFFER MAGISTRATE CAUSTIC

Will Report Fact to Commissioners—Ball at the Armouries—Civic Supply of Coal.

HAMILTON, Feb. 19.—(Special).—John McKee and John Toner, on the Indian list, were arrested to-night on the charge of being drunk. The police have discovered that there are 25 names on the list supplied to M. Condon, while lists supplied to some other hotel keepers have only 50 names. This morning for the third time, Justice John McBride, who is on the Indian list, was fined \$20 in police court. The magistrate had the lists of prohibited persons gathered up from four to five hotels, and discovered that the number of names on them varied from 48 to 78. "You might as well tell the license commissioners that I am going to inform the government that the list is not being carried out here just because a proper system is not adopted," the magistrate remarked to the officers present.

The officers of the local garrison opened their quarters in the new drill hall to-night with a ball, which was one of the social events of the season. The civic fuel committee met this afternoon and decided to continue its supply of coal direct from the mines. The order will be placed as soon as possible. There was no opposition to that course. Ald. W. H. Cooper was elected chairman of the committee. Chief Ten Eyck and William Stewart had a narrow escape from serious injury while examining Mr. Stewart's grocery store at the corner of King and Pearl-streets after a fire. It lighted a match, and there was a big explosion of gas that had leaked from a main.

THE ART EXHIBITION IS BETTER THAN EVER

37th Annual of the O. S. A. is Formally Opened With Large and Brilliant Gathering Present.

It with less ceremony certainly will be more good feeling and hearty congratulation than usual the 37th annual exhibition of the Ontario Society of Artists was opened at the art gallery last night. A notable gathering of the distinguished art lovers an literary people of Toronto crowded the rooms. The general verdict was that the average of the pictures hung was decidedly high and a marked advance on previous years. There has rarely been an exhibition before where much weeding out of inferior work would not have improved the whole. There is scarcely a picture this year which may not be justified by the hanging committee. That long-suffering president, the artist, said of it in the past. It is only fair to speak well of it when the opportunity has arrived. It is a distinct compliment this year to any artist who has been admitted. The unfortunately true story that one art worker did not consider it so the more to be regretted.

WILL TOUR THE WEST

300 Members of World's Parliamentary Congress Coming to Canada. MONTREAL, Feb. 19.—(Special).—John T. McBride, importer of this city, returns from London with the report that some eight hundred members of the world's parliamentary congress will visit Canada this year and that when the meetings are over in Quebec, and at Ottawa, where they will be entertained by the federal government, the C.P.R. will carry them all thru the wheat fields of the west during the month of August.
