

WEDNESDAY MORNING

THE TORONTO WORLD

Down to Cup Final

ONE GOAL VICTORY FOR THE IRISHMEN

St. Patricks Come From Behind to Win Senior Fixture at Arena.

The St. Patricks are satisfied with the 1917 hockey season. The Saints have been waiting to down T.R. & A.A. and pulled the trick last night at the Arena to the tune of 1-0. This victory killed any chance the black and white squad had for the group honors. To make the Irish victory real achievement, they had to come from behind to get the victory.

T.R. & A.A. got away with a jump and netted the first goal. The Saints battled bravely and evened it up. The first round of the second period, they checked hard at all times, and the Irish got up their fighting blood and it stood out all at the end of forty minutes of play. The last period was a hummer. T.R. scored first, and then the men from the green came along with two and the game was dropped to even. It was cut down to five-man hockey in the dying minutes of the game when Schumacher broke his skate, and Smith went off with him.

It was not the best hockey in the world, but the players made up for the lack of polish by their fighting spirit. They checked hard at all times, and T.R. & A.A. made desperate attacks in the last few minutes of the game.

Little Smith played sterling hockey for the Saints, and was one of the best in the league. Stan Brown and Bill Adams did some grand rushing for the winners, and Sullivan checked hard into the Irish. Schumacher was a hard worker. Hicks, McLean, and Ferguson also played good hockey.

The teams: T.R. & A.A. (5): Goal, Crooks; defense, Adams, Brown, rover, Smith; Schumacher; Hicks, Quinn; left, Murphy.

St. Patricks (6): Goal, Crooks; defense, Adams, Brown, rover, Smith; Schumacher; Hicks, Quinn; left, Murphy.

The summary: First Period: T.R. & A.A., 1-0; Second Period: T.R. & A.A., 1-0; Third Period: T.R. & A.A., 1-0.

Far Western Cricketers Maintain The First Traditions of Sport

(A. G. L. in Vancouver World.)

Altogether Port Couillard is chiefly famous as a centre for real estate speculation and football, but the latter has been steadily demoralized as a sport unit, for a majority of its playing members are the sons of the city, and the latter, and have left the pleasure of tramping the cricket ball and the attendant pink tea for the sterner and more patriotic duty of serving the empire.

Port Couillard stands in a unique position among the smaller centres of the province, and perhaps Canada, in respect to the number of able-bodied, and in social life of the growing city during the halcyon days. Several of them have gained conspicuous honors, and of the five lieutenants mentioned, all of them secured their commissions for valor on the battlefield. Captain D. P. de la Roche, a former cricketer, is a former board of trade secretary, and held the rank of major in the 13th Battalion unit that unit was disbanded in England, and all officers reduced to the rank of lieutenants.

Since the war, sportsmen from all ranks of athletics have been doing their best to bring back the old-time sports of the city, and the latter, and have left the pleasure of tramping the cricket ball and the attendant pink tea for the sterner and more patriotic duty of serving the empire.

The Cricket Club's honor roll is one to be proud of. Twenty names are included, the list containing several men who were prominent in the public and social life of the growing city during the halcyon days. Will Make Changes in Tonight's Game

There will be no professional hockey at the Arena tonight, but Aure Lee and De La Salle should furnish just as good an attraction. Last year Aure Lee Junior galloped through the O.H.A. to the championship, but they are meeting with stout opposition this season. De La Salle won last Saturday in the first game of the second round Aure Lee while they finished three goals behind, but up to the argument and expect to not only overcome the lead tonight, but win out the round. They have made a couple of changes in their team, which should improve their scoring ability. Both clubs will be well supported with rooters, and with the winner having the privilege of playing Kingston in the semi-finals on Saturday evening, will try hard from bell to bell.

Barrie V. Hamilton Remain for Final

Victorias Won by Default From Sarnia and Then Beat Waterloo.

Barrie and the Hamilton Victorias are left to play the final this morning on Victoria ice for the district cup championship. Barrie stopped Owen Sound's record operations by two shots, and in the afternoon staved away Kingston, who had retired our last city club, to wit, Little Lakeview.

Hamilton Victorias won their first game from Sarnia by default and then beat Waterloo, the club that sent Peterboro into the discard. The ice was keen.

Single Rink Curling Competition Starts Next Tuesday at City Clubs

A hurry up telephone call was sent out on Monday for a meeting of the single rink curling clubs to discuss the single rink competition that most thought would be off the year. However, as Toronto had gone empty-handed as regards the tournament and District Club, here was a chance where our rink could not be beaten by mere outsiders. At all events six votes were strong for curling, and the club will have four sets of prizes. It was decided to start play next Tuesday with the entries closing on Saturday night at the Queen City Club. The following delegates attended the meeting:
