

Dr. A. Trask's Magnetic Ointment.

The GREAT HEALER of all Inflammation.

The Proprietors of this sovereign remedy challenge the world to furnish anything, from the days of Esculapius down to the present time, in the Arcana of Medicine which can vie with or excel the intrinsic properties of this Ointment.

The worst Sores, Bruises, Cuts, Burns, Skin Disorders, Sprains, Sore Throat, Croup, Rheumatism, Lameness, and all external and internal affections characterized by INFLAMMATION, yield to its influence as if by magic. Wherever there is inflammation try this Ointment, and you will never be without it.

It never fails to restore the natural functions of the skin and equalize the circulation of the blood.

It penetrates to every portion of the human frame; every bone, muscle, vein, nerve and ligament is searched out and made sensible of its soothing and healing influence. Hence it copes readily with internal as well as external disease. Its success has been marvellous in the most obstinate cases of Inflammation of the Eye, Brain, Throat, Lungs, Bowels, and other delicate organs of the human frame, where the skill of the most eminent physicians has been baffled, while for Sores or Injuries attended with inflammation, Eruptions of the Skin, as Salt Rheum, Pimples, &c., and Lameness, it is without a rival. Its operation is SPEEDY, and, containing no minerals, its application is safe, producing immediate relief.

PILES.

There is no disease more torturing, nor one which will more quickly derange the whole nervous system, than this, and yet thousands of sufferers declare that they can get no relief. But every case, however aggravated and desperate, can be cured, provided the proper medicine is obtained, and where hundreds of so-called remedies have been tried and failed, the MAGNETIC OINTMENT has proven successful beyond all parallel. fact, we sell the Ointment directly to hundreds of people, who, having used it themselves, wish for more to supply their suffering friends. Regarding its effect in this disease and others, we have multitudes of testimonials in our office which we have not space to insert here, but in pamphlet around bottle will be found a selection of the most striking cases of cure.

RHEUMATISM.

GENTLEMEN,—Among many remarkable cures performed by "Dr. Trask's Magnetic Ointment" in this section of the country, I send you the following: Calling on my friend Deacon Barber, of this place, I found him prostrate and helpless, under a severe attack of Inflammatory Rheumatism. Knowing the curative effect of your "Magnetic Ointment" in this disease I proposed a trial of it, and with his consent I made a thorough application of it to the diseased parts, rubbing it on with my own hands. I used the whole of one small bottle. The next morning he was able to come to the breakfast table, and said he felt like a new man—thought a good Providence had sent me there. Within one week he was perfectly well and at work on his farm.

Yours truly, JOEL E. KEELER,
Wheatland, Mich.

Mr. Jones carries his money in his hat, and the other day when he saw the entire supply going off on the winds of heaven, he bitterly remarked, "That's what you get with your infernal inflation."

A lady ate oysters all through the month of August, when she could get them. Under the supposition that there was an "r" in that month, "August" was the way she spelled it.
