JAS. D. SCOTT

OFFICIAL SEAL ENGRAVER AND DIE SINKER,

572½ Craig Street, 4th door West of Place d'Armes Hill.

Seal Engraver by appointment to Post Office Departments of Canada.

SEE THE EUREKA CLUB SKATE.

It is put on and taken off the foot in a moment by a *simple turn* of the round nut shown in above drawing. The clamps at both heel and toe are fastened by the one simple movement, and so perfect is the plan, that the fastenings adjust themselves to any size or shaped boot. There is no need of boys and girls having cold fingers, cramped feet, or loose skates, so long as they can get a pair of "Eureka Club Skates," which may be had by sending \$10 in new subscriptions for the WITNESS publications to

JOHN DOUGALL & SON,
MONTREAL.
