

Three Sunday-school periodicals have been ordered for 1874: The "Child's Paper," the "Family Herald," and, "Everybody's Paper."

The amount received from the scholars for the support of pupils at Point Aux Tremble, has been about \$60; this sum, in addition to the ordinary collections, is very creditable under the disadvantages in which many of the classes were placed during part of the year.

In connection with the Central School, a Bible Class is taught by the Rev. J. Scott—the average attendance being about 18 young women, and 14 young men.
