HIS PLANT has in various sections of the country produced from one to two gallons (vine per Plant, equal, if not superior to the Imported Wines of Europe. superior Modical Qualities over all other cett. Wines are universally consideded, life Wine being a wholesome, and delicious its Wine being a wholesome, and delicious

Hamilton, C.W., Jan. 30, 1865.
Mr D. D. WING.—Sir.—I have tasted your "Myatt Wine" and find it a very pleasant, and I think a healthy Wine, and should have no hestation to recommend it in preference to most wines in case of sickness.

ost wines in case of sickness.

T. DUGGAN.

Chair. Medical Board, City Hospital.

London, C.W., Sep. 14, 1864.

I certify that I have tasted the "Mystri Wine" made by Mr Wing, and consider it a good, sound article, and likely to be a pleasant summer beverage.
