From long practical observation of the treatment pursued in the various Institutions of London and Paris for these diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring that accuracy of diagnosis, and uniform success, which he has characterized his practice for so many years in this country, in which the lamentable neglect of these diseases by medical men generally, and their futile attempts to cure by mercury, copious salivation, &c., have produced most distressing results. Having benefit in such cases can only be reasonably expected at the hands of the legally-qualified medical man who devotes his chief attention to their removal; and to him only who can show his possession of the necessary qualifications, can confidence be safely extended. Dr. De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness; and to those who may be in need of such aid, he offers every assurance of speedy restoration.

PERSONS RESIDING ABROAD can be successfully treated by correspondence, on sending a full detail of their case, with a Bank note, or Bill on a London house for £5, in order to have a packet of medicine sufficient to meet the exigencies of the case, sent out by next mail; thus avoiding unnecessary loss of valuable time, and much suffering which might otherwise occur.

The Great European Remedy for Nervousness, Relaxation and Exhaustion.

Protected by Royal Letters Patent of England, and is acknowledged by all the great Continental Colleges of Medicine.

Their almost marvellous powers must be felt to be believed. Hundreds of apparently hopeless cases have been cured, and thousands almost miraculously relieved, when every thing else had failed, and they were so near the portals of the grave. These remedies which have hitherto been the sole reliance of English medical men.

INK, INK,
A NEW IMPERIAL CHEMICAL
WRITING INK.

Warranted not to Injure by Freezing.

THE want of a good description of Black Writing Ink has been long and severely felt in this Province; one great difficulty is, that ink now in use is completely useless after freezing; another is, that it corrodes the pen except gold, destroying pens very fast; it will also become thick after being exposed to the air, this cannot be avoided on account of the ingredients most ink is composed of.

The subscriber begs leave to inform his customers and the public generally, that he has manufactured in Canada, a fine Chemical Ink, which is warranted not to injure by freezing—in fact, after freezing some five or six times, it becomes blacker—making it the best ink for this climate; it is also warranted not to corrode, making a saving in Pens of 50 per cent. It being a Chemical Ink, it is free from the annoyance of sediment, causing no trouble in cleaning bottles, and in writing, you can perceive a slight shade of blue, owing to its flow free and easy—Government Offices, Banks, and Merchants in Canada have pronounced it superior and cheaper by 25 per cent. than any ink they can import. Merchants in different parts of the Province will find it much to their advantage to buy this ink instead of importing, as it will insure them a larger profit, quicker in writing, and it is put up in bottles, and retailed in—Pyramidical, Pans, 1s. 6d., Quarts 2s. 6d., or by the Gallon. A large discount made to wholesale purchasers.

Orders received from any part of the Province previous to 1st September next, can be supplied this Fall. The subscriber warrants it as above described, or the money will be returned.

MORSE'S INDIAN ROOT PILLS.

CAUTION.
Merchants and Traders will be on their guard and not be imposed upon by a Counterfeit of Morse's Indian Root Pills signed A. B. Moore. All genuine Indian Root Pills have the name and signature of A. J. White & Co. on each box.

Dr. Morse, the inventor of MORSE'S INDIAN ROOT PILLS, has spent the greater part of his life in travelling, visiting Europe, Asia, and Africa, as well as North America—has spent three years among the Indians of our Western country—has been the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health and life depend upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become thick and cease to act, and thus our light of life will be forever blown out. How important then that we should keep the various passages of the body free and open.

And how pleasant to us that we have it in our power to put a medicine in your reach, namely Morse's Indian Root Pills, manufactured from Plants and Roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific, which opens the pores of the skin, and assists nature in throwing out the fiber purer corruption within.

The second is a plant which is an Expectorant, that opens and unclogs the passages to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged they draw large amounts of impurity from the blood which is then thrown out bountifully by urinary or water passage, and which could not be discharged in any other way. The fourth is a Cathartic and accompanies the other properties of the Pills, which engaged in purifying the blood; the corner particles of impurity which cannot pass by the other outlets are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely route out and cleanse the system from all impurity and the life of the body, which is the blood; becomes perfectly healthy; consequently all sickness and pain is driven from the system for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts and which will open the natural passages for the disease to be cast off; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are heavily oppressed with thick, corrupted mass; thus undergoing disagreeable fermentation, constantly mixing the blood, which throws the corrupted matter through every vein artery, until life is taken from the body by disease. Dr. Morse's pills have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked and tormented with sickness, pain, and whose feeble frame has been scorched by the burning elements of raging fever, and who have been in a state of agony, ready to testify that they would have been within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this good and wonderful medicine. Morse's Indian Root Pills. After one or two doses had been taken, they were astonished and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish but they at once go to work at the foundation of the disease which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight and the flush of youth and beauty will again return, and the prospect of a long and happy life will cheer and brighten your days.

CAUTION.—Beware of a counterfeit signed A. K. Moore. All genuine have the name of A. J. White & Co. on each box. Also the signature of A. J. White & Co. all other are spurious.
